Shipment Tracking Screen:

Tracking Number Link was selected or Track Button was selected.

The screenshot shows the UPS United States website interface. The top navigation bar includes the UPS logo, a search bar, and links for Home, About UPS, Contact UPS, Getting Started @ UPS.com, and Site Guide. The main navigation menu features tabs for Shipping, Tracking, Freight, Locations, Support, and Business Solutions. The Tracking section is active, displaying a list of tracking options such as Track Shipments, Track by Reference, Track by E-mail, Signature Tracking, Import Tracking Numbers, Wireless Tracking, Track with Quantum View, Access Flex Global View, Integrate Tracking Tools, Void a Shipment, and Help. A red circle highlights the 'Track Shipments' button, and a message above the tracking details reads 'Track button was selected.'

The tracking details for a shipment with tracking number 1Z R2W 676 03 9121 143 9 are displayed. The status is 'Billing Information Received', and the shipment was shipped to AMENIA, NY, US on 04/04/2008. The service is GROUND and the weight is 1.00 Lb. A message states: 'Billing information has been sent to UPS. Check site later for updated shipment status or contact shipper for more details.'
