## Overview

Sixty-one home health agencies responded to the 2007 survey; 37 free-standing, 14 hospital-based, and 10 health department home health agencies.

Sta-home Health Agency of Natchez was re-licensed. It is located in Warren County. Baptist Memorial Home Care and Hospice was re-licensed as Baptist Home Care and Hospice North, a free-standing agency.

AccuMed Home Health of South Mississippi changed its name to Tender Loving Care.

Table I shows that 41% of home health agencies reported non-profit status. Approximately 54% of the agencies were controlled by corporations, 16% were controlled by state government, 15% were controlled by local government and the remaining were controlled by sole proprietorship, partnership and other.

Referrals by type of home health agency are shown in Table II. Of the 77,117 total referrals, 58,747 or 76% were accepted. Reasons for denied service are shown in Table II. Besides the category 'other', not meeting home health service eligibility was the main reason patients were denied service. Most referrals, 87%, were from physicians and hospitals.

For this report, data from hospital-based home health agencies are shown in tables ending in an A, health department home health agencies are shown in tables ending in a B, free-standing home health agencies are shown in tables ending in a C, and tables ending in a D represent state totals.

\* If one person is admitted and served on two different occasions, that would count as two patients served. If the patient receives two or more services, he would be counted in each service rendered but would only be counted once in 'total' regardless of the number of services received. 'Total' is not a cumulative total of the service categories.

## INSTRUCTIONS

### MISSISSIPPI HOME HEALTH AGENCIES 2007 ANNUAL REPORT

General: Please supply current data on name, address and organizational information requested.

#### **SECTION A: Referrals**

A referral is any person for which home health services were sought and for which a determination was made to admit or not to admit for services.

Referrals may be received from any source. This does not mean only those certified for services by a physician.

Total number of people served during calendar year 2007, is a request for a non-duplicate count of the number of people, not admissions, served. If a person was admitted for services on more than one occasion during the calendar year that should still be counted as one person in answering this question.

#### **SECTION B: Census**

List in alphabetical order, all counties in which the Agency provided home health services. Then enter in the appropriate columns the patient census as of midnight 12/31/06, all admissions during calendar year 2007 all discharges during calendar year 2007, and the patient census as of midnight 12/31/07. Total each column on the bottom line.

**NOTE:** A person may have more than one admission and/or discharges during a calendar year. In such cases each admission must be counted independently. Patient census as of midnight 12/31/06 should correspond with census reported for 12/31/06 on last year's (2006) report.

#### **SECTION C: Services Provided**

Check all services provided to patients during calendar year 2007 which meet the definitions in the Minimum Standards of Operation for Mississippi Home Health Agencies.

**SECTION D: Patients Served**

Record, by county, all patients served during the 2007 calendar year under the appropriate service. A patient may be recorded in more than one row, depending on the number of services provided that patient. A person may be counted as a patient more than once, if that person was admitted for service on more than one occasion. **Note: Total patients served on page 3 should match total of patients served by source of payment on page 4.**

**SECTION E: Visits Conducted**

Record, by county, the number of visits rendered within each service. Total both rows and columns. **Note: visits reported on page 3 should match visits by source of payment on page 4.**

**SECTION F: Cost/Charges/Source of Payment**

For each service provided list per visit the cost, as reported on your most recent Medicaid/Medicare Cost Report specifying FY, and your customary charges.

Report number of visits within each service by source of payment and the number of patients served by source of payment.

**NOTE:** Total of number of patients by source of payment should equal total of row (i) in SECTION D.

**SECTION G: Uncompensated Services**

Record the number of patients and the number of visits by service for which you received no reimbursement.

**SECTION H: Employees**

List the number of employees in the appropriate column as of 12/31/07. The column labeled "Under Arrangement" refers to personnel provided through contract with other agencies or organizations. Individuals under contract should be listed under the "Full-Time" or "Part-Time" columns.

Signatures: The report should be signed by the responsible person and the agency's administrator. The responsible person is the individual, whose name appeared on the agency's license.
