Reviewed Minutes from May 15, 2009; minutes were approved as read.

Partnership Assessment Form

Dr. Clay Hays asked all task force members to please fill out and return completed partnership assessments forms to Xavier Johnson.

American Heart Association

Katherine Bryant, Public Advocacy Director gave an overview for the next steps to develop the statewide stroke registry. There are plans to schedule a meeting with Joe Surkin, Earl Coleman, Tanya Funchess and Augusta Bilbro.

Katherine Bryant will contact hospitals currently using GWTG(Get With The Guidelines) for aggregate data.

GWTG has a super user account which tracks all the GWTG hospitals and stroke patients admitted to the hospitals. This will help with the development of the stroke registry. Julia Mora will speak with Earl Coleman about giving a demonstration of GWTG to task force members. This will give them a better picture of the aggregated data the hospitals use.

Speaker Bureau Updates

Dr. Clay Hays -Mississippi Association of Public Health Physicians Annual Meeting June 18, 2009 Jackson Medical Mall

Dr. Chad Rhoden- Hypertension! “What’s all the hype?”

Speaker’s Bureau Evaluation Form

Dr. Clay Hays reminded all presenters to please use speaker’s evaluation forms when presenting.

Jackie Hawkins reported they have 8 grantees for the year:

1. Delta Health Alliance – “Church Garden Project”
2. Abundant Living Community Organization – “Congregational Nurses at Work”
3. Jonestown Family Center for Education and Wellness – “Building a Healthy Jonestown, One Family at a Time”
4. Aaron E. Henry Community Health Services Center, Inc. – “Reducing the Burden of Cardiovascular Disease Collaborative”
5. Delta Citizens Alliance – “Creating a Competitive Advantage with Healthier Workers”
6. Four Aces Racquet Club – “Youth Tennis as a Vehicle to a Healthy Lifestyle”
7. University of Mississippi – “Eating Good and Moving Like We Should”
8. Southern AIDS Commission- “Mississippi Delta Health Improvement Initiative”

Currently, the Delta Health Collaborative is in the process of organizing an advisory council to help promote projects, healthier communities and will consist of representation from the five covered counties.

1. Leflore
2. Washington
3. Sunflower
4. Bolivar
5. Coahoma

Community Work Group Meeting

Dr. Evelyn Walker reported the community work group met on August 6, 2009:

- finalizing draft of the lay friendly brochure.
- committee incorporated revisions provided by Mary Helen Connor
- HDSP Program staff will seek internal approval upon receipt of the Task Force’s approval.
- Katherine Bryant, Sharon Wyatt and Debbie Minor will be invited to the next community work group meeting to help finalize of the brochure.

Dr. Walker reported on the future development of a lay speakers’ bureau:

- Julia Mora offered to provide support in establishing the lay speakers’ bureau and training for the speakers.
- AHA has a community action network that consists of AHA volunteers.
- The community action network holds an annual training for volunteers
- AHA invites presenters from Toastmasters Speakers Bureau to train AHA volunteers on public speaking.
- Julia will email documents to Earl Coleman and he will send electronic copies to Tanya Funchess.

Rochelle Ware – MS State Extension Services 4-H

Rochelle Ware is the 4-H agent in Hinds County and there are extension offices in each county. MS State Extension Services works with home school groups, church school groups or anyone who needs health information. They partner with others with an interest in positive youth development. Area agent's work with adults and area nutrition agents provide education about the importance of good nutrition.

Upcoming Events for MS Extension Services

September 15, 2009 Body Walks at Clinton Park Elementary September 16, 2009 at Oak Forest Elementary. Body Walks is a unique education program designed to teach students the skills and choices for a healthy lifestyle. They learn the importance of good nutritional choices by walking thru an exhibit representing the human body.

Sebrenia Robinson Chronic Disease Self Management Program

Sebrenia Robinson is the coordinator for the arthritis integration dissemination project. The Chronic Disease Self Management Program was developed at the Stanford University Patient Education Research Center out of Palo Alto, California. Five people completed the first Chronic Disease Self Management Program class.

Upcoming events for CDSMP – A Chat and Chew info session for CDSMP will be held on Wednesday, August 26, 2009 from 11:00-2:00pm. Organizations are invited to learn about CDSMP and implement the program in their health delivery systems for their clients.

Announcements

Roxanne Coulter - Mississippi Medicaid will go live on December 7, 2009 with electronic health records.

Immediately after each meeting send out a Save the Date to taskforce members, then a reminder two weeks prior to the meeting.

Next Meeting

November 20, 2009
