

Pediatric Preparedness for the Healthcare Professional

October 1st – 2nd, 2024

Where: Children's of Mississippi (2500 North State Street, Jackson, MS 39216)

For: Medical response personnel, health care providers, and medical volunteers

CME, CNE and EMS CE available!

This free 2-day, 15-hour course is a standardized, national-level pediatric disaster training focused on emergency management, public health, clinical preparedness, and resiliency and recovery. At the successful completion of the course, participants will recognize components necessary to developing a comprehensive community and facility plan designed to improve pediatric clinical and post disaster resilience.
