REGISTRATION AGREEMENT:

I agree that in order to attend in-person training, or the required lab, I must either:

- Be fully vaccinated, which is defined as being two weeks or more from having received the either final dose in a two-dose series (Moderna or Pfizer) of COVID-19 vaccine; or the single dose of the one-dose series (Johnson & Johnson) of COVID-19 vaccine; or
- Provide documentation of a negative test for COVID-19 within 72-hours of the in-person training or lab; and
- Wear a mask that covers both my nose and my mouth while at in-person training or the lab.

Any person who attends virtual training, must complete an in-person lab to receive certification.

I have completed the registration form and included an e-mail address as required. I acknowledge that registration is not final until **BOTH** the completed registration form and payment is received. I understand the registration fee is **not refundable unless** the workshop is cancelled. If it becomes necessary to change the registration, I understand that I must provide **written notification at least 14 days prior to the scheduled workshop to transfer** registration to another workshop or to another person without additional charge. Transfer to another person may be requested in writing less than 14 days prior to the workshop with a \$15.00 transfer fee. The transfer will not be completed until a **\$15.00 transfer fee** is received. Failure to attend the scheduled workshop or transfer the fee in advance forfeits the registration fee. No transfers/substitutions are accepted after the workshop begins. *Registration confirmation or workshop cancellation will be sent by email 14 days before scheduled workshop.*
