Giving you a  
**Healthy Pregnancy**  
and your baby  
a **Healthy Start.**

## Goal 1

Improve maternal and infant health outcomes through early, coordinated, and equitable services.

## Goal 2

Increase family engagement and father participation to strengthen healthy family systems.

## Goal 3

Use data, partnerships and continuous quality improvement to enhance program impact.

## About Us

The Northeast Mississippi Healthy Start Program supports families (mothers, fathers and caregivers) and infants up to 18 months.

We aim to reduce rates of maternal and infant mortality, increase access to prenatal care and mental health services, engage fathers in maternal and infant health, and strengthen community support systems.

## What We Offer

### Direct and enabling services, support and resources to:

- Women before, during, and after pregnancy
- Preconception and interconception care for men and women
- Infants up to 18 months
- Fatherhood / male engagement
- Group-based health and parenting education
- Health promotion and prevention activities
- Mental health services and support
