

## **ATTENTION: Mississippi WIC Vendors**

The WIC product submission period is open **April 1–30, 2026**.

Manufacturers and vendors may submit UPCs and product information for review during this time. Mississippi WIC will decide which products are approved for the program.

To be considered, products must:

- Meet federal WIC rules
- Follow all federal, state, and local laws

### **Important Notes:**

- Follow all UPC Submission Form (Form 1178) instructions (see below)
- Spreadsheets are allowed if they include all required Form 1178 details and product labels
- When possible, include a spreadsheet of all Mississippi-approved products

### ***Please note:***

- Sending a product does **not** mean it will be approved
- Mississippi WIC decides which products are added to the approved foods list
- **Late submissions will not be accepted after April 30, 2026**
