

Office of Environmental Health
Indoor Tanning Program

**ACKNOWLEDGEMENT STATEMENT
(CONSUMERS UNDER THE AGE OF 14)**

The following consent statement must be signed by a parent or legal guardian and the **parent or legal guardian must be present during the entire tanning session.**

DANGER-ULTRAVIOLET RADIATION

- ❖ Follow instructions.
- ❖ Avoid overexposure. As with natural sunlight, overexposure can cause eye and skin injury and allergic reactions.
- ❖ Repeated exposure may cause premature aging of the skin and skin cancer. You should be regularly screened for skin cancer if you routinely tan.
- ❖ Wear FDA compliant protective eyewear.

Failure to Use Protective Eyewear May Result In Severe Burns or Long – Term Injury to the Eyes!!

- ❖ Medications such as tranquilizers, antibiotics, diuretics, high blood pressure medicines, birth control pills, cancer medications or cosmetics may increase your sensitivity to ultraviolet radiation. Consult a physician before using sunlamps if you are using prescription or over-the-counter medication, have a history of skin problems, or believe yourself to be especially sensitive to sunlight.
- ❖ If you do not tan in the sun, you are unlikely to tan from the use of this product.

The parent or guardian shall sign the consent form **in the presence of** the operator of the tanning facility, and said consent may be revoked at any time by the parent or guardian.

I have read, or had someone read to me, the above information and I understand its meaning.
