MSDH Approved Child Care Courses

Revised 5.9.23

MSDH Infant and Toddler

Infant and Toddler		Website: www.healthyms.com				
Course Name and Description	Contact Information			Training area	\$	# hrs
Infant and Toddler Group Needs: This interactive training identifies best practice on meeting the needs of infant and toddlers in a group care setting. Activities in the areas of language, cognitive, social emotional and motor skills are introduced. Offered by MSDH Child Care Licensure only.	Carol Bishop Sandra Smith Josenda Dockery Josie Smith	carol.bishop@healthyms.com sandra.smith@healthyms.com josenda.dockery@healthyms.co josie.smith@healthyms.com	601.842.3076 601.364.2835 601.393.2775 601.267.3072	Statewide	No	3
Infant and Toddler Regulations: This training focuses on MSDH Child Care Regulations for infants and toddlers. Offered by MSDH Child Care Licensure only.	Carol Bishop Sandra Smith Josenda Dockery Josie Smith	carol.bishop@healthyms.com sandra.smith@healthyms.com josenda.dockery@healthyms.co josie.smith@healthyms.com	601.842.3076 601.364.2835 601.393.2775 601.267.3072	Statewide	NO	2
Building Relationships: Relationships are at the heart of early education. In this session, participants will explore specific details of relationship building with children and families.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
All About Play: This highly interactive session showcases the profound impact of play-based learning, and the value of teacher's play experiences as well	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
You have Stories to Tell: This training explores how to bring stories to life, the importance of storytelling, and how to lead children in developing their own stories as an aspect of literacy development.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
Memories from the Dirt Pile: Outdoor experiences can be excellent means for learning. This training helps teachers plan for utilizing nature in their instruction.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
Infant and Toddler Art: In this session, teachers learn about the importance of including art experiences for the very young, and how to do this appropriately.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
Consider The Possibilities: This session helps early educators remember their importance and best plan for helping each child reach his or her full potential.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
The Motivation to Succeed": Defines the types of motivation. Explains where motivation comes from and how to motivate children, parents and staff. Analyzes how motivation leads to success.	Artricia S. Polk	artwrk@ymail.com	901.921.3683 (C) 901.921.0494 (H)	Statewide	Yes	2
Protecting Our Children: Abuse and Detection Training: Identifies types of child abuse & neglect. Teaches how to detect and report abuse. Explore ways to teach personal & internet safety to children.	Artricia S. Polk	artwrk@ymail.com	901.921.3683 (C) 901.921.0494 (H)	Statewide	Yes	2
Saving Infants During Sleep (SIDS) Training: Brings awareness to safe sleep. Define the causes and risk of SIDs. Examine ways to prevent SIDs. Provide resources for families experiencing SIDS.	Artricia S. Polk	artwrk@ymail.com	901.921.3683 (C) 901.921.0494 (H)	Statewide	Yes	2

Promoting Mental Health in Child Development: Explains the importance of mental stability. Presents the foundation for a sound mind. Offer strategies to implement emotional/social development.	Artricia S. Polk	artwrk@ymail.com	901.921.3683 (C) 901.921.0494 (H)	Statewide	Yes	2
The Benefits of Arts & Music in Child Development: Defines music & art and describe their benefits. Explore the opportunities and challenges. Present ways to implement art and music in daily activities.	Artricia S. Polk	artwrk@ymail.com	901.921.3683 (C) 901.921.0494 (H)	Statewide	Yes	2
In Case of an Emergency, Danger or Disaster Training: Mentally prepares staff for a wide range of emergencies. Examines the federal & state regulations. Teaches survival technique for all child care staff.	Artricia S. Polk	artwrk@ymail.com	901.921.3683 (C) 901.921.0494 (H)	Statewide	Yes	2
Social and Emotional Well Being of Children: What is best said and done around young children. Caring about their feelings and emotions	Tonia F. Bailey	tonibailey70@gmail.com	601.541.1974	Statewide	Yes	2
Basic Parenting Skills: How to care for your young child to develop them into respectable children and students	Tonia F. Bailey	tonibailey70@gmail.com	601.541.1974	Statewide	Yes	2
Infants and Toddlers: What to expect in developments and stages of infants and toddlers	Tonia F. Bailey	tonibailey70@gmail.com	601.541.1974	Statewide	Yes	2
Remember Who You Are: Motivational Power Point Presentation for Early Childhood staff based on the book - "Winners Never Cheat" by Jon Huntsman.	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	2
Using the Finer Things in Life: Participants will be introduced to a "hands on" approach of teaching developmentally appropriate fine motor skill challenges to various ages of young children. Actual activities are presented during the training.	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	3
An Attitude of Gratitude: Power Point Presentation to help educators learn to introduce a feeling of gratitude with our young friends. Age appropriate activities to accompany this presentation will be introduced.	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	1
Learning Life with Three and Four Year Olds: This interactive workshop allows us an opportunity to review the various areas of development for 36 month - 60 month old children and how we can help them accomplish age appropriate activities in a small group setting. Make and Take activities will be introduced.	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	3
Language Development in Young Children: Power Point presentation based on the book "It Takes Two to Talk" and the research of the book "Meaningful Differences in the Everyday Experience of Young American Children" as well as documented child development checklists	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	3

Centers of Interest: Power Point Presentation depicting the development and design of intentional Learning Centers in a classroom of young children. Appropriate Learning Environments discussion will be included in this interactive workshop.	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	2
Let's Practice What We Preach: Power Point Presentation regarding the importance of supervising children AT ALL TIMES	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	2
Why Can't He Just Sit Still?: Power Point Presentation addressing the area of differential learning in young children and ways staff can accommodate their learning needs	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	2
It's A Two Way Street: This workshop includes a Power Point Presentation introducing a variety of ways to accomplish effective communication with the families of the children we teach	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	2
What a Character!: Power Point Presentation will help participants be reminded of the importance of families instilling a value system in young children. Defining components of childhood virtues will be discussed as an interactive portion of this participation	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	2
Classroom Set-Up and Materials: Participant will learn how to select materials that represent cultural, linguistic, age, gender and ability diversity. Arrange furniture and materials so children have opportunities to work together and link materials to curriculum and instruction.	Bridgette K Jackson	bjackson@wcoihs.com	662.822.4015 (W)	Central MS	Yes	1
Math All Around us in the Classroom: Participants will learn how to create an environment that supports early math learning and using language of math, or "math talk," making it concrete and visible for infants toddlers and Preschoolers.	Bridgette K Jackson	bjackson@wcoihs.com	662.822.4015 (W)	Central MS	Yes	1
Preparing for Early Literacy: Developmentally Appropriate Practices: Participants will learn how literacy skills emerge and how to promote them through play and developmentally appropriate activities.	Bridgette K Jackson	bjackson@wcoihs.com	662.822.4015 (W)	Central MS	Yes	1
Routines and Relationships: Participants will learn how responsive care giving forms the foundation of building relationships, and set the stage for development and learning	Bridgette K Jackson	bjackson@wcoihs.com	662.822.4015 (W)	Central MS	Yes	1

Preparing Infants for School Readiness: Participants will learn how to prepare infants to be school ready by using the guides organized around three components of learning: KNOW: Teaching practices that are effective at supporting children's development in certain domains. SEE: Video clips of effective teaching practices in action. DO: Discuss tips to try in their classroom when working with children.	Bridgette K Jackson	bjackson@wcoihs.com	662.822.4015 (W)	Central MS	Yes	1
Preparing Toddlers for School Readiness: Participants will learn how to prepare Toddlers to be school ready by using the guides organized around three components of learning: KNOW: Teaching practices that are effective at supporting children's development in certain domains. SEE: Video clips of effective teaching practices in action. DO: Discuss tips to try in their classroom when working with children.	Bridgette K Jackson	bjackson@wcoihs.com	662.822.4015 (W)	Central MS	Yes	1
Art for Fun: Participants will learn the focus of art for young children is learning, exploring and fun	Bridgette K Jackson	bjackson@wcoihs.com	662.822.4015 (W)	Central MS	Yes	1
An Initial Connection "Family Engagement": This course focuses on fostering family engagement in the child's educational experiences and developing partnerships with families.	Octavia Dixon	www.everlastingopportunities.com	1.777.347.3070	Statewide	Yes	2
A Mindful Approach To Behavioral Challenge: This course focuses on understand challenging behaviors, how to respond to children with challenging behaviors, and how to prevent it.	Octavia Dixon	www.everlastingopportunities.com	1.777.347.3070	Statewide	Yes	1
Observation and Assessment, In Young Children: This course focuses on sharing, reporting, and communicating assessment, observation, or developmental screening data while maintaining supportive and respectful family partnerships.	Octavia Dixon	www.everlastingopportunities.com	1.777.347.3070	Statewide	Yes	2
Child Growth & Development - Infancy to School Age: This course focuses on a framework for growth and development in young children ages infant to 60 months.	Octavia Dixon	www.everlastingopportunities.com	1.777.347.3070	Statewide	Yes	2
ADHD "Help Every Child Shine: This course training identifies the signs and symptoms of children with ADHD and how to manage a child with ADHD in the classroom.	Octavia Dixon	www.everlastingopportunities.com	1.777.347.3070	Statewide	Yes	2
Car Seat Safety (Dude Where's My Car Seat?): This presentation covers the basics for car seat protection, car seat installation in vehicles, ages and stages of car seat progression as the child grows, choosing a seat, common errors, and children (and other passengers) in trucks. It is suitable for both staff and parent training. Mississippi State Department of Health Community Health and Prevention Program	Caryn Womack	caryn.womack@msdh.ms.gov	662.226.3771 (NW) 662.841.9015 (NE) 662.241.7677 (EC) 662.981.2304 (WC) 601.482.3171 (EC) 601.445.4601 (SW) 601.584.4174 (SE) 228.436.6770 (Coast)	Statewide	NO	1

Safe Sleep for Babies: This training provides up to date information regarding safe sleep practices. It is suitable for both staff and parent training.	Caryn Womack	caryn.womack@msdh.ms.gov	662.226.3771 (NW) 662.841.9015 (NE) 662.241.7677 (EC) 662.981.2304 (WC) 601.482.3171 (EC) 601.445.4601 (SW) 601.584.4174 (SE) 228.436.6770 (Coast)	Statewide	NO	.5-1
Helping Children Manage Their Own Behavior: The objective of this training is to provide participants a better understanding of why children need to learn self management skills.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
Building Teacher-Child Relationships: The objective of this training is to help participants understand the importance of building positive teacher-child relationships.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
Lesson Plans and Activities: The objective of this training is to provide participants a detailed description of how to develop effective plans of instruction that include meaningful learning activities	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	3
Effective Classroom Management Strategies: The objective of this training is to provide participants with a better understanding of how to effectively manage their classrooms.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
Positive Teacher-Child Interactions: Caring & Teaching: The objective of this training is to help participants improve their interactions while caring for and teaching children in a positive manner.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
Active Supervision: The objective of this training is to provide participants strategies used in and out of the classroom to actively supervise children in their care.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	4
Managing Challenging Behaviors: The objective of this training is to provide participants more knowledge about managing challenging behaviors while continuing to provide classroom learning experiences.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
Developmentally Appropriate Practices: The objective of this training is to provide participants a better understanding of how to promote young children's learning and development according to best practices.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	3
Appropriate and Effective Parent Communication: The objective of this training is to provide participants with a better understanding of how to appropriately and effectively communicate with parents to improve student learning.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
Overview: The Early Learning Outcomes: The objective of this training is to provide participants a better understanding of the Early Learning Outcomes.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2

The Benefits of Play in Early Childhood: The objective of this training is to help participants understand the importance of play and how play facilitates learning in early childhood development.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	3
Positive Interaction: Caregivers and educators will develop an understanding about the importance of positive interaction and how it effects the classroom environment.	Lena Hampton	lehampton4@gmail.com	(662)931-2427	Central MS	Yes	2
Learn More About Play: Caregivers and educators will be able to understand the importance of helping children develop positive social skills through play and positive interactions.	Lena Hampton	lehampton4@gmail.com	(662)931-2427	Central MS	Yes	2
Teamwork makes the Dream Work: The objective of this training is to help teachers and caregivers work together as a team	Lena Hampton	lehampton4@gmail.com	(662)931-2427	Central MS	Yes	2
Language Modeling: The session will provide caregivers and preschool teachers with strategies to model more complex language in the learning environment and tips to share with families.	Lena Hampton	lehampton4@gmail.com	(662)931-2427	Central MS	Yes	2
Transition: This training is designed to help caregivers and preschool teachers understand the "big idea" of transition and how it effects the learning environment	Lena Hampton	lehampton4@gmail.com	(662)931-2427	Central MS	Yes	2
Active Supervision: The objective of this training is to provide participants strategies used in and out of the classroom to actively supervise children in their care.	Lena Hampton	lehampton4@gmail.com	(662)931-2427	Central MS	Yes	2
Classroom Set -Up and Materials: Participants will learn how to select materials that represent cultural, linguistic, age, gender, and ability diversity. Arrange furniture and materials so children have opportunities to work together and link materials to curriculum and instruction.	Bridgette Jackson	bjackson@wcoihs.com	662-822-4014	Statewide	Yes	2
Routines and Relationships: Participants will learn how responsive care giving forms the foundation of building relationships, and sets the stage for development and learning.	Bridgette Jackson	bjackson@wcoihs.com	662-822-4014	Statewide	Yes	2
Parental Involvement in Early Childhood Education: Provide a Variety of Parental Involvement ideas and activities. These include: <ul style="list-style-type: none"> Improving group socialization, Inculcation of healthy habits Stimulation of creative learning processes, and Enhanced 	Tasha Bailey-Banks	baileytasha40@hotmail.com	662-334-5541	Statewide	Yes	5
Childhood Development Stages of Infants and Toddlers: Provide Information on Learning and Mastering Skills of the Development Milestone. This session will provide information from Centers for Disease Control and Prevention on the Child Development Basics and Healthy Development. It will provide the Developmental Monitoring , Screening and Evaluation. Which includes the Who, What , When, Why, and How. It also provides the Developmental Milestones from birth up to 12 months checklists for reference.	Tasha Bailey- Banks	baileytasha40@hotmail.com	662-334-5541	Statewide	Yes	5

Cavity Free Kids: Cavity Free Kids is a free train-the-trainer oral health curriculum that provides education about dental cavities and how they can be prevented. This curriculum was developed for child care directors and staff who work closely with parents and children. Those who participate will acquire knowledge, skills, and resources to educate families and children. Hands-on training includes exercises that are fun and easy for parents and children to understand.	Gennette Robinson, RDH Lenita Simpton, RDH Carla Bassett, RDH LaNeidra Williams, RDH Eugenia Daniels, RDH	gennette.robinson@msdh.ms.gov lenita.simpson@msdh.ms.gov carla.bassett@msdh.ms.gov laneidra.williams@msdh.ms.gov eugenia.daniels.msdh.ms.gov	601-206-1590	Statewide	No	2
Cavity Free in MS: Medical providers will receive training on how to perform an oral health evaluation, benefits and application of fluoride varnish and caregiver education on good oral hygiene practices. Medical providers will also receive training on billing/coding for services rendered and supplies and materials needed in order to screen and apply fluoride varnish.	Gennette Robinson, RDH Lenita Simpton, RDH Carla Bassett, RDH LaNeidra Williams, RDH Eugenia Daniels, RDH		601-206-1590	Statewide	No	2
Cultural Competency Care training: Cultural competence training gives participants the tools needed to help effectively interact with people of different cultures in a way that is respectful, responsible, and sensitive to their linguistic needs. The standards target health care professionals; however, they can easily be adapted to fit other service areas. Cultural competence training covers three key areas: attitudes, knowledge, and skills.	Lewis Seymore, RDH Grady Watt, RDH Gennette Robinson, RDH Lenita Simpton, RDH Carla Bassett, RDH Marsha Parker, RDH LaNeidra Williams, RDH	seymore.lewis@msdh.ms.gov grady.watt@msdh.ms.gov gennette.robinson@msdh.ms.gov lenita.simpson@msdh.ms.gov carla.bassett@msdh.ms.gov marsha.parker@msdh.ms.gov laneidra.williams@msdh.ms.gov	601-206-1590	Statewide	No	2
Cool Twos: This course provides a creative art platform experience that will encourage teaches to become very creative in a classroom with two year old children.	Lashuanda D. Davis	making.the.connection5@gmail.com	601-624.4836	Statewide	Yes	4
The SLP and Infants: What role dose the SLP play in infant development? (Speech/Language/Feeding)	Dr. Jianwen J. Crump, CCC-SLP	expecttx@outlook.com	601-826-7898	Statewide	No	1
Culture & Language Development: Explanation of culture and cultural differences that affect language development	Dr. Jianwen J. Crump, CCC-SLP	expecttx@outlook.com	601-826-7898	Statewide	No	1.5
When to Refer for Early Intervention: When is the appropriate time to refer a child for early intervention?...And to whom?	Dr. Jianwen J. Crump, CCC-SLP	expecttx@outlook.com	601-826-7898	Statewide	No	1
Establishing First Words: When do 1st words appear & how can you encourage language?	Dr. Jianwen J. Crump, CCC-SLP	expecttx@outlook.com	601-826-7898	Statewide	No	1.5
Language & Reading Time: The correlation between reading/literacy and language development	Dr. Jianwen J. Crump, CCC-SLP	expecttx@outlook.com	601-826-7898	Statewide	No	1.5
Play & Language Development: Discussion on the correlation between play and language development	Dr. Jianwen J. Crump, CCC-SLP	expecttx@outlook.com	601-826-7898	Statewide	No	1.5
What is Language?: Language is more than speaking. Does your staff know what to look for?	Dr. Jianwen J. Crump, CCC-SLP	expecttx@outlook.com	601-826-7898	Statewide	No	1.5
Stages of Language Development: Understand the 6 developmental stages of language development to guide activities and parent engagement	Dr. Jianwen J. Crump, CCC-SLP	expecttx@outlook.com	601-826-7898	Statewide	No	1.5

Information concerning the Care and Development of Infants and Toddlers (Birth-Twelve months): Early childhood and development milestones are to be celebrated at every stage. This training sessions spotlights such milestones with a wealth of information and suggestions to assist the entire learning community with age-appropriate strategies that can be used at all times.	Dr. Mavis Dawson	thedawsongroup8@gmail.com	601-882-6430	Central MS	Yes	2
Stepping Into Reading: Train early childhood providers on how to promote early literacy skills in the classroom.	Shakira L. Cain	Shakira_52@yahoo.com	601.454.5376	Statewide	No	2
Language is Important: Train early childhood providers on the importance of language for infants, toddlers, and three and four year olds. Techniques will be provided that promote healthy language development.	Shakira L. Cain	Shakira_52@yahoo.com	601.454.5376	Statewide	No	2
Caught In the Love: In the Best Interest of Children: Research describes young children's needs; including trust, sincere relationships, and responsive care. Includes strategies that encourage and support infants and toddlers	Linda Glaze	lglaze@gmail.com	662-255-5795	North	Yes	2
Attachment and Primary Care: Making a Difference in the Lives of Infants and Toddlers: Session designed to help those caring for newborns, young babies and toddlers understand the need for attachment and bonding.	Linda Glaze	lglaze@gmail.com	662-255-5795	North	Yes	2
Guiding them Through the Storms: Comparing teacher expectations with typical developmental expectations and early childhood research to develop appropriate strategies for tantrums and conflicts.	Linda Glaze	lglaze@gmail.com	662-255-5795	North	Yes	2
Teacher-Child Interaction: Communication Works: This session give teachers/caregivers a variety of strategies to build positive relationships with the children they care for daily and become knowledgeable in playing a significant role in influencing young children's social and emotional development.	Stacye Wells	swlovers02@yahoo.com	662-931-3126	Statewide	Yes	2
Biting Hurts: Infants and Toddlers: This session will help caregivers learn reasons why young children bite, strategies to prevent biting, appropriate ways to intervene in biting incidents, and how to talk to parents about biting.	Stacye Wells	swlovers02@yahoo.com	662-931-3126	Statewide	Yes	2
Toilet Learning: Potty Training: This sessions give caregivers ways to communicate with parents and children through the potty training process.	Stacye Wells	swlovers02@yahoo.com	662-931-3126	Statewide	Yes	1
Social and emotional development of Infants and Toddles: In this training participants will explore the major developmental milestones acheived during an Infant social and emotional development.	Elizabeth Freeman	lizfreeman2002@yahoo.com	662.385.2054	Statewide	Yes	3
Setting the stage for positive Behavior in infants and toddlers: This training will define developmentally appropriate practices and how this concept looks when interacting with infants and toddlers and identify the caregiver roles and the importance of composure in managing infant and toddler behavior.	Elizabeth Freeman	lizfreeman2002@yahoo.com	662.385.2054	Statewide	Yes	3

MSDH Approved Trainers Two-Year-Olds

MSDH Approved Trainers Two-Year-Olds						
Two-Year-Olds	Website: www.healthhymns.com					
Course Name and Description	Contact Information			Training area	\$	#hrs
Classroom Management: Description and instruction concerning procedures for successfully managing challenging behaviors in a classroom setting.	Dr. Alan M. Gross	agross57@gmail.com	662.607.0300	North MS	Yes	
Building Relationships: Relationships are at the heart of early education. In this session, participants will explore specific details of relationship building with children and families.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
All About Play: This highly interactive session showcases the profound impact of play-based learning, and the value of teacher's play experiences as well	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
You have Stories to Tell: This training explores how to bring stories to life, the importance of storytelling, and how to lead children in developing their own stories as an aspect of literacy development.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
Memories from the Dirt Pile: Outdoor experiences can be excellent means for learning. This training helps teachers plan for utilizing nature in their instruction.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
Infant and Toddler Art: In this session, teachers learn about the importance of including art experiences for the very young, and how to do this appropriately.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
Consider The Possibilities: This session helps early educators remember their importance and best plan for helping each child reach his or her full potential.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
Social/Emotional Development in Young Children: To provide information that will help practitioners who work on behalf of young children from birth to age three and their families understand the importance of social and emotional well-being and development. The information here includes the signs of social-emotional well-being, red flags that indicate concern, simple strategies that any practitioner can use to support social and emotional well-being, and referral sources for expert consultation and assistance.	Debra Payton	dpayton@eccc.edu	601.635.6251 601.507.3066	Statewide	Yes	2 to 5
The Motivation to Succeed: Defines the types of motivation. Explains where motivation comes from and how to motivate children, parents and staff. Analyzes how motivation leads to success.	Artricia S. Polk	artwrk@ymail.com	901.921.3683 (C) 901.921.0494 (H)	Statewide	Yes	2
Protecting Our Children: Abuse and Detection Training: Identifies types of child abuse & neglect. Teaches how to detect and report abuse. Explore ways to teach personal & internet safety to children.	Artricia S. Polk	artwrk@ymail.com	901.921.3683 (C) 901.921.0494 (H)	Statewide	Yes	2
Saving Infants During Sleep (SIDS) Training: Brings awareness to safe sleep. Define the causes and risk of SIDS. Examine ways to prevent SIDS. Provide resources for families experiencing SIDS.	Artricia S. Polk	artwrk@ymail.com	901.921.3683 (C) 901.921.0494 (H)	Statewide	Yes	2
Promoting Mental Health in Child Development: Explains the importance of mental stability. Presents the foundation for a sound mind. Offer strategies to implement emotional/social development.	Artricia S. Polk	artwrk@ymail.com	901.921.3683 (C) 901.921.0494 (H)	Statewide	Yes	2

The Benefits of Arts & Music in Child Development: Defines music & art and describe their benefits. Explore the opportunities and challenges. Present ways to implement art and music in daily activities.	Artricia S. Polk	artwrk@ymail.com	901.921.3683 (C) 901.921.0494 (H)	Statewide	Yes	2
In Case of an Emergency, Danger or Disaster Training: Mentally prepares staff for a wide range of emergencies. Examines the federal & state regulations. Teaches survival technique for all child care staff.	Artricia S. Polk	artwrk@ymail.com	901.921.3683 (C) 901.921.0494 (H)	Statewide	Yes	2
Remember Who You Are: Motivational Power Point Presentation for Early Childhood staff based on the book - "Winners Never Cheat" by Jon Huntsman.	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	2
Using the Finer Things in Life: Participants will be introduced to a "hands on" approach of teaching developmentally appropriate fine motor skill challenges to various ages of young children. Actual activities are presented during the training.	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	3
An Attitude of Gratitude: Power Point Presentation to help educators learn to introduce a feeling of gratitude with our young friends. Age appropriate activities to accompany this presentation will be introduced.	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	1
Learning Life with Three and Four Year Olds: This interactive workshop allows us an opportunity to review the various areas of development for 36 month - 60 month old children and how we can help them accomplish age appropriate activities in a small group setting. Make and Take activities will be introduced.	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	3
Language Development in Young Children: Power Point presentation based on the book "It Takes Two to Talk" and the research of the book "Meaningful Differences in the Everyday Experience of Young American Children" as well as documented child development checklists	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	3
Centers of Interest: Power Point Presentation depicting the development and design of intentional Learning Centers in a classroom of young children. Appropriate Learning Environments discussion will be included in this interactive workshop.	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	2
Let's Practice What We Preach: Power Point Presentation regarding the importance of supervising children AT ALL TIMES	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	2
Why Can't He Just Sit Still?: Power Point Presentation addressing the area of differential learning in young children and ways staff can accommodate their learning needs	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	2

It's A Two Way Street: This workshop includes a Power Point Presentation introducing a variety of ways to accomplish effective communication with the families of the children we teach	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	2
What a Character!: Power Point Presentation will help participants be reminded of the importance of families instilling a value system in young children. Defining components of childhood virtues will be discussed as an interactive portion of this participation	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	2
Preparing for Early Literacy: Developmentally Appropriate Practices: Participants will learn how literacy skills emerge and how to promote them through play and developmentally appropriate activities.	Bridgette K Jackson	bjackson@wcoihs.com	662.822.4015 (W)	Central MS	Yes	1
Routines and Relationships: Participants will learn how responsive care giving forms the foundation of building relationships, and set the stage for development and learning	Bridgette K Jackson	bjackson@wcoihs.com	662.822.4015 (W)	Central MS	Yes	1
Art for Fun: Participants will learn the focus of art for young children is learning, exploring and fun	Bridgette K Jackson	bjackson@wcoihs.com	662.822.4015 (W)	Central MS	Yes	1
MSDH Safe Sleep: This program provides the most up-to date and factual information related to infant safe sleep practices.	Monica Stinson	monica.stinson@msdh.ms.gov	601.5767415	Statewide	N	1
An Initial Connection "Family Engagement": This course focuses on fostering family engagement in the child's educational experiences and developing partnerships with families.	Octavia Dixon	www.everlastingopportunities.com	1.770.347.3070	Statewide	Yes	2
A Mindful Approach To Behavioral Challenge: This course focuses on understand challenging behaviors, how to respond to children with challenging behaviors, and how to prevent it.	Octavia Dixon	www.everlastingopportunities.com	1.770.347.347.3070	Statewide	Yes	1
Observation and Assessment, In Young Children: This course focuses on sharing, reporting, and communicating assessment, observation, or developmental screening data while maintaining supportive and respectful family partnerships.	Octavia Dixon	www.everlastingopportunities.com	1.770.347.347.3070	Statewide	Yes	2
Child Growth & Development - Infancy to School Age: This course focuses on a framework for growth and development in young children ages infant to 60 months.	Octavia Dixon	www.everlastingopportunities.com	1.770.347.347.3070	Statewide	Yes	2
ADHD "Help Every Child Shine: This course training identifies the signs and symptoms of children with ADHD and how to manage a child with ADHD in the classroom.	Octavia Dixon	www.everlastingopportunities.com	1.770.347.347.3070	Statewide	Yes	1

Car Seat Safety (Dude Where's My Car Seat?): This presentation covers the basics of car seat protection, car seat installation in vehicles, ages and stages of car seat progression as the child grows, choosing a seat, common errors, and children (and other passengers) in trucks. It is suitable for both staff and parent training. Mississippi State Department of Health Community Health and Prevention Program	Caryn Womack	caryn.womack@msdh.ms.gov	662.226.3771 (NW) 662.841.9015 (NE) 662.241.7677 (EC) 662.981.2304 (WC) 601.482.3171 (EC) 601.445.4601 (SW) 601.584.4174 (SE) 228.436.6770 (Coast)	Statewide	NO	1
Safe Sleep for Babies: This training provides up to date information regarding safe sleep practices. It is suitable for both staff and parent training.	Caryn Womack	caryn.womack@msdh.ms.gov	662.226.3771 (NW) 662.841.9015 (NE) 662.241.7677 (EC) 662.981.2304 (WC) 601.482.3171 (EC) 601.445.4601 (SW) 601.584.4174 (SE) 228.436.6770 (Coast)	Statewide	NO	05--1
Effective Classroom Management Strategies: The objective of this training is to provide participants with a better understanding of how to effectively manage their classrooms.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
Positive Teacher-Child Interactions: Caring & Teaching: The objective of this training is to help participants improve their interactions while caring for and teaching children in a positive manner.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
Active Supervision: The objective of this training is to provide participants strategies used in and out of the classroom to actively supervise children in their care.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	4
Managing Challenging Behaviors: The objective of this training is to provide participants more knowledge about managing challenging behaviors while continuing to provide classroom learning experiences.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
Developmentally Appropriate Practices: The objective of this training is to provide participants a better understanding of how to promote young children's learning and development according to best practices.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	3
Appropriate and Effective Parent Communication: The objective of this training is to provide participants with a better understanding of how to appropriately and effectively communicate with parents to improve student learning.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
Overview: The Early Learning Outcomes: The objective of this training is to provide participants a better understanding of the Early Learning Outcomes.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
The Benefits of Play in Early Childhood: The objective of this training is to help participants understand the importance of play and how play facilitates learning in early childhood development.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	3

Building Teacher-Child Relationships: The objective of this training is to help participants understand the importance of building positive teacher-child relationships.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
Helping Children Manage Their Own Behaviors: The objective of this training is to provide participants a better understanding of why children need to learn self management skills.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
Positive Interaction: Caregivers and educators will develop an understanding about the importance of positive interaction and how it effects the classroom environment.	Lena Hampton	lehampton4@gmail.com	(662) 931-2427	Central MS	Yes	2
Learn More About Play: Caregivers and educators will be able to understand the importance of helping children develop positive social skills through play and positive interactions.	Lena Hampton	lehampton4@gmail.com	(662) 931-2427	Central MS	Yes	2
Active Supervision: The objective of this training is to provide participants strategies used in and out of the classroom to actively supervise children in their care.	Lena Hampton	lehampton4@gmail.com	(662) 931-2427	Central MS	Yes	2
Teamwork makes the Dream Work: The objective of this training is to help teachers and caregivers work together as a team	Lena Hampton	lehampton4@gmail.com	(662) 931-2427	Central MS	Yes	2
Language Modeling: The session will provide caregivers and preschool teachers with strategies to model more complex language in the learning environment and tips to share with families.	Lena Hampton	lehampton4@gmail.com	(662) 931-2427	Central MS	Yes	2
Transition: This training is designed to help caregivers and preschool teachers understand the 'big idea' of transition and how it effects the learning environment	Lena Hampton	lehampton4@gmail.com	(662) 931-2427	Central MS	Yes	2
Preventing Misbehavior: Participants will learn how to prevent many problems before they happen. This training will help participants understand misbehavior and gives concrete strategies as well.	Bridgette Jackson	bjackson@wcoihs.com	662-822-4014	Statewide	Yes	2
Classroom Set-Up and Materials: Participants will learn how to select materials that represent cultural, linguistic, age, gender, and ability diversity. Arrange furniture and materials so children have opportunities to work together and link materials to curriculum and instruction.	Bridgette Jackson	bjackson@wcoihs.com	662-822-4014	Statewide	Yes	2
Routines and Relationships: Participants will learn how responsive care giving forms the foundation of building relationships, and sets the stage for development and learning.	Bridgette Jackson	bjackson@wcoihs.com	662-822-4014	Statewide	Yes	2
Parental Involvement in Early Childhood Education: Provide a Variety of Parental Involvement Ideas and Activities. The session discusses the impact of: parental support (e.g. the provision of parenting skills training, advice and guidance for parents) on pupil achievement/engagement; family learning (i.e. as a Parent Governor, reading to children, encouragement and help with homework) on pupil achievement/engagement; and parents' level of education, e.g. the impact of parents with university level education on children's achievement.	Tasha Bailey-Banks	baileytasha40@hotmail.com	662-334-5541	Statewide	Yes	5

Childhood Development Stages of One and Two Year Olds: Provide Information on Learning and Mastering Skills of the Development Milestone. his session will provide information from Centers for Disease Control and Prevention on the Child Development Basics and Healthy Development. It will provide the Developmental Monitoring , Screening and Evaluation. Which includes the Who, What , When, Why, and How. It also provides the Developmental Milestones for 12 months up to 5 years old checklists for reference.	Tasha Baiely-Banks	baileytasha40@hotmail.com	662-334-5541	Statewide	Yes	5
Skills Training for Children with Behavior Problems: Identify ways to work with children with behavior problems in the classroom.	Wilhelmenia Newson	ladyaka38614@yahoo.com	662-902-7673	North MS	Yes	2-3
Cavity Free Kids: Cavity Free Kids is a free train-the-trainer oral health curriculum that provides education about dental cavities and how they can be prevented. This curriculum was developed for child care directors and staff who work closely with parents and children. Those who participate will acquire knowledge, skills, and resources to educate families and children. Hands-on training includes exercises that are fun and easy for parents and children to understand.	Lewis Seymore, RDH Grady Watt, RDH Gennette Robinson, RDH Lenita Simpton, RDH Carla Bassett, RDH Marsha Parker, RDH LaNeidra Williams, RDH	seymore.lewis@msdh.ms.gov grady.watt@msdh.ms.gov gennette.robinson@msdh.ms.gov lenita.simpson@msdh.ms.gov carla.bassett@msdh.ms.gov marsha.parker@msdh.ms.gov laneidra.williams@msdh.ms.gov	601-206-1590	Statewide	No	2
Cavity Free in MS: Medical providers will receive training on how to perform an oral health evaluation, benefits and application of fluoride varnish and caregiver education on good oral hygiene practices. Medical providers will also receive training on billing/coding for services rendered and supplies and materials needed in order to screen and apply fluoride varnish.	Lewis Seymore, RDH Grady Watt, RDH Gennette Robinson, RDH Lenita Simpton, RDH Carla Bassett, RDH Marsha Parker, RDH LaNeidra Williams, RDH	seymore.lewis@msdh.ms.gov grady.watt@msdh.ms.gov gennette.robinson@msdh.ms.gov lenita.simpson@msdh.ms.gov carla.bassett@msdh.ms.gov marsha.parker@msdh.ms.gov laneidra.williams@msdh.ms.gov	601-206-1590	Statewide	No	2
Cultural Competency Care training: Cultural competence training gives participants the tools needed to help effectively interact with people of different cultures in a way that is respectful, responsible, and sensitive to their linguistic needs. The standards target health care professionals; however, they can easily be adapted to fit other service areas. Cultural competence training covers three key areas: attitudes, knowledge, and skills.	Lewis Seymore, RDH Grady Watt, RDH Gennette Robinson, RDH Lenita Simpton, RDH Carla Bassett, RDH Marsha Parker, RDH LaNeidra Williams, RDH	seymore.lewis@msdh.ms.gov grady.watt@msdh.ms.gov gennette.robinson@msdh.ms.gov lenita.simpson@msdh.ms.gov carla.bassett@msdh.ms.gov marsha.parker@msdh.ms.gov laneidra.williams@msdh.ms.gov	601-206-1590	Statewide	No	2
Social and Emotional Well Being of Children: What is best said and done around young children. Caring about their feelings and emotions	Tonia F. Bailey	tonibailey70@gmail.com	601-541-1974	Statewide	Yes	2
The Importance of Self Control for Parents and Children: Parents, knowing their boundaries of self control when it come to the children	Tonia F. Bailey	tonibailey70@gmail.com	601-541-1974	Statewide	Yes	2
World Knowledge & Word Knowledge : Explanation of the correlation between world exposure and language acquisition.	Dr. Jianwen J. Crump, CCC-SLP	expect@outlook.com	601-826-7898	Statewide	No	1.5
Measuring Language Development: Explanation of the correlation between world exposure and language acquisition.	Dr. Jianwen J. Crump, CCC-SLP	expect@outlook.com	601-826-7898	Statewide	No	1.5
Atypical Growth and Development in Language: Red Flags and The Green Light for Language Growth	Dr. Jianwen J. Crump, CCC-SLP	expect@outlook.com	601-826-7898	Statewide	No	1.5
Developmental Delay and Speech: Understanding the term "Developmental Delay" and what it means for speech/language development	Dr. Jianwen J. Crump, CCC-SLP	expect@outlook.com	601-826-7898	Statewide	No	1.5

Electronics & Language Development: The correlation between electronic usage and language development. It's not all bad; and it's not all good)	Dr. Jianwen J. Crump, CCC-SLP	expect@outlook.com	601-826-7898	Statewide	No	1.5
Storytelling & Language Development: Storytelling is more than entertainment. Are you using this skills effectively?	Dr. Jianwen J. Crump, CCC-SLP	expect@outlook.com	601-826-7898	Statewide	No	1.5
Ethnic Diversity & Language Development: Is your staff aware of ethnic diversity in language?	Dr. Jianwen J. Crump, CCC-SLP	expect@outlook.com	601-826-7898	Statewide	No	1.5
Positive Guidance with Infants and Toddlers: Training teacher on the effeteness of team work. Team work has positive effects on students' behavior and the classroom climate.	Dr. Devorah K. Minor	dminor2002@yahoo.com	662-417-1487	Statewide	Yes	3
Information concerning the Care and Development of Infants and Toddlers (Twelve months-Twenty-four months): Early childhood and development milestones are to be celebrated at every stage. This training sessions spotlights such milestones with a wealth of information and suggestions to assist the entire learning community with age-appropriate strategies that can be used at all times.	Dr. Mavis Dawson	thedawsongroup8@gmail.com	601.882.6430	Central MS	Yes	2
Caught In the Love: In the Best Interest of Children: Research describes young children's needs; including trust, sincere relationships, and responsive care. Includes strategies that encourage and support infants and toddlers	Linda Glaze	lglaze@gmail.com	662-255-5795	North	Yes	2
Attachment and Primary Care: Making a Difference in the Lives of Infants and Toddlers: Session designed to help those caring for newborns, young babies and toddlers understand the need for attachment and bonding.	Linda Glaze	lglaze@gmail.com	662-255-5795	North	Yes	2
Guiding them Through the Storms: Comparing teacher expectations with typical developmental expectations and early childhood research to develop appropriate strategies for tantrums and conflicts.	Linda Glaze	lglaze@gmail.com	662-255-5795	North	Yes	2
Communication and Early Literacy: Supporting Language and Literacy Skills: Using language and becoming a "play partner" with young children. Discussion of research and the impact of communication to later school success.	Linda Glaze	lglaze@gmail.com	662-255-5795	North	Yes	2
Supporting Children in Learning Centers: Discovering the skills most influenced through play in each of 5 learning centers. How materials both bought and found enrich play.	Linda Glaze	lglaze@gmail.com	662-255-5795	North	Yes	2
Understanding Me: This training provides definitions, descriptions and illustrations that support caregivers in the identification and understanding of the 5 major developmental components essential to children's healthy growth and development.	Wanda Nelms	edu@nelmsconsulting.com	(662) 202-8582	North	Yes	2
Terrific Twos and their Characteristics: This face-to-face training will demonstrate how to effectively facilitate play with 2-year-old children. Participants will receive an overview on child development, emphasis will be on understanding patterns of development, developmental domains, and behavior characteristics.	Patrice Williams	profdevence@gmail.com	662.469.2531	North	Yes	2
Many Ways to Learn for Toddlers: Caregivers/Teachers will learn different ways toddlers can learn in a classroom and implement different strategies to be effective.	Stacye Wells	swlover02@yahoo.com	662-931-3126	Statewide	Yes	2

Making Learning Fun through Art: Caregivers/Teachers will learn ways to make Art fun for Toddlers by working hands-on with fun projects that they can take back to their classrooms.	Stacye Wells	swlover02@yahoo.com	662-931-3126	Statewide	Yes	2

MSDH Approved Trainers Preschool

MSDH Approved Trainers Preschool						
Preschool	Website: www.healthyms.com					
Course Name and Description	Contact Information			Training Area	\$	# hrs
Meeting Preschoolers Needs in a Group Setting: This interactive training allows caregivers to find ways to meet the group needs of preschool participants. Activities in the areas of language, cognitive, social emotional and motor skills are introduced. Offered by MSDH Child Care Licensure only.	Carol Bishop Sandra Smith Josenda Dockery Josie Smith	carol.bishop@healthyms.com sandra.smith@healthyms.com josenda.dockery@healthyms.com josie.smith@healthyms.com	601.842.3076 601.364.2835 601.393.2775 601.267.3072	Statewide	No	3
Promoting Physical Activities with Preschoolers: This interactive training identifies how caregivers can increase learning opportunities, build self confidence, increase attention span, and maintain strong and health children using physical activity. Offered by MSDH Child Care Licensure only.	Carol Bishop Sandra Smith Josenda Dockery Josie Smith	carol.bishop@healthyms.com sandra.smith@healthyms.com josenda.dockery@healthyms.com josie.smith@healthyms.com	601.842.3076 601.364.2835 601.393.2775 601.267.3072	Statewide	No	2
Classroom Management: Description and instruction concerning procedures for successfully managing challenging behaviors in a classroom setting.	Dr. Alan M. Gross	agross57@gmail.com	662.607.0300	North MS	Yes	varies
Literacy Based Learning: Explore children's development in literacy. Identify factors that influence reading. Identify resources to build strong readers of preschool aged children	Dr. Doris Thompson	dithompson955@gmail.com	662.390.3440 601.334.1367	Statewide	Yes	3
Promoting Literacy Based Learning: Create strategies that creates a literacy based environment. Identify benefits of reading and establish activities and actions that create a literacy rich environment. Define school readiness	Dr. Doris Thompson	dithompson955@gmail.com	662.390.3440 601.334.1367	Statewide	Yes	4
Responsive Care Giving: Explain and use specific techniques to attain responsive caregiving. Support an environment that creates a healthy environment for learning.	Dr. Doris Thompson	dithompson955@gmail.com	662.390.3440 601.334.1367	Statewide	Yes	3
Data/Data: Use data to assess learning. Be able to use data to map individual strategies to promote good readers. Identify skills needed to understand and implement data driven environment.	Dr. Doris Thompson	dithompson955@gmail.com	662.390.3440 601.334.1367	Statewide	Yes	5
Do's and Don'ts of Parent/Teacher Communication: Identify components of good communication. Discuss and identify strategies that creates good communication between parent and school. Understand benefits of parent involvement.	Dr. Doris Thompson	dithompson955@gmail.com	662.390.3440 601.334.1367	Statewide	Yes	3
Teacher Professionalism: Define teacher professionalism identifying specific characteristics professional teachers display. Become familiar with Mississippi Department of Education Teacher Code of Ethics. Become familiar with National Association of Young Children (NAEYC) established conduct.	Dr. Doris Thompson	dithompson955@gmail.com	662.390.3440 601.334.1367	Statewide	Yes	5
Early educators as Buffers against Toxic Stress: Find out what toxic stress is, what causes it, how it affects child development, and what teacher caregivers can do to minimize its impact on children.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
A-Z of What Works for ME: This interactive training highlights practical lessons across all domains from shared experiences.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
Building Better Behavior and Classroom Management: This session explores the foundations and purpose of behaviors and what teachers can do to affect positive outcomes.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5

What's Cooking: This interactive training teaches how and why to include nutrition and cooking activities in the classroom.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
Being the Spark for Children in the Dark: This session discusses commonly seen behavior struggles among young children and offers suggestions for positive intervention.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
Building Relationships: Relationships are at the heart of early education. In this session, participants will explore specific details of relationship building with children and families.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
Play It Art: This session shares ideas for using art experiences to reach curricular objectives.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
All About Play: This highly interactive session showcases the profound impact of play-based learning, and the value of teacher's play experiences as well	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
You have Stories to Tell: This training explores how to bring stories to life, the importance of storytelling, and how to lead children in developing their own stories as an aspect of literacy development.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
Memories from the Dirt Pile: Outdoor experiences can be excellent means for learning. This training helps teachers plan for utilizing nature in their instruction.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
Lessons in Faith: Tawny Scrawny Lion and other Literature Love a great story, but want to know how to share deeper lessons from it? This session leads teachers in the process of connecting children's literature to Biblical instruction.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
Introduction to the World Through the 4 Corner Café: This session helps teachers connect social studies and cultural lessons with biblical truths	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
Consider The Possibilities: This session helps early educators remember their importance and best plan for helping each child reach his or her full potential.	Kathy Chase Young	kathychaseyoung@gmail.com	601.270.0668	Statewide	Yes	1 to 1.5
Teaching Phonology and Phonological Awareness: The purpose of this session is to develop an awareness that words are composed of individual sounds and develop the ability to manipulate sounds. Participants will also have the opportunity to create hands-on activities to take back to their classrooms!	Yolanda A. Jackson	yjackson13@gmail.com	601.287.3770	Statewide	Yes	2
The Motivation to Succeed: Defines the types of motivation. Explains where motivation comes from and how to motivate children, parents and staff. Analyzes how motivation leads to success.	Artricia S. Polk	artwrk@ymail.com	901.921.3683 (C) 901.921.0494 (H)	Statewide	Yes	2
Protecting Our Children: Abuse and Detection Training: Identifies types of child abuse & neglect. Teaches how to detect and report abuse. Explore ways to teach personal & internet safety to children.	Artricia S. Polk	artwrk@ymail.com	901.921.3683 (C) 901.921.0494 (H)	Statewide	Yes	2
Saving Infants During Sleep (SIDS) Training: Brings awareness to safe sleep. Define the causes and risk of SIDs. Examine ways to prevent SIDs. Provide resources for families experiencing SIDS.	Artricia S. Polk	artwrk@ymail.com	901.921.3683 (C) 901.921.0494 (H)	Statewide	Yes	2
Promoting Mental Health in Child Development: Explains the importance of mental stability. Presents the foundation for a sound mind. Offer strategies to implement emotional/social development.	Artricia S. Polk	artwrk@ymail.com	901.921.3683 (C) 901.921.0494 (H)	Statewide	Yes	2
The Benefits of Arts & Music in Child Development: Defines music & art and describe their benefits. Explore the opportunities and challenges. Present ways to implement art and music in daily activities.	Artricia S. Polk	artwrk@ymail.com	901.921.3683 (C) 901.921.0494 (H)	Statewide	Yes	2

In Case of an Emergency, Danger or Disaster Training: Mentally prepares staff for a wide range of emergencies. Examines the federal & state regulations. Teaches survival technique for all child care staff.	Artricia S. Polk	artwrk@ymail.com	901.921.3683 (C) 901.921.0494 (H)	Statewide	Yes	2
Conducive Learning Environment for Early Learners: Teaching educators how to appropriately set up classroom for early learners where it will be conducive to their learning	Tonia F. Bailey	tonibailey70@gmail.com	601.541.1974	Statewide	Yes	2
Science for young Children: Teaching young children how to be young scientist and explore fun learning	Tonia F. Bailey	tonibailey70@gmail.com	601.541.1974	Statewide	Yes	2
Language Development for Young Children: Teaching young children through print and pictures. Helping the educator to understand the importance of the correct way of introducing language development to early learners	Tonia F. Bailey	tonibailey70@gmail.com	601.541.1974	Statewide	Yes	2
Physical Development for both Parents and Children: The importance of physical development is for young children.	Tonia F. Bailey	tonibailey70@gmail.com	601.541.1974	Statewide	Yes	2
How to Teach Children Responsibility: Teaching young children responsibility in their everyday function. When to award and not to award and stick to the plan.	Tonia F. Bailey	tonibailey70@gmail.com	601.541.1974	Statewide	Yes	2
Teaching Children to Respect Authority: Teaching young children how to show authority respect and consequences for no respect to authority	Tonia F. Bailey	tonibailey70@gmail.com	601.541.1974	Statewide	Yes	2
Nutrition in Feeding Young Children: What is best for healthy eating for young children.	Tonia F. Bailey	tonibailey70@gmail.com	601.541.1974	Statewide	Yes	2
Social and Emotional Well Being of Children: What is best said and done around young children. Caring about their feelings and emotions	Tonia F. Bailey	tonibailey70@gmail.com	601.541.1974	Statewide	Yes	2
Basic Parenting Skills: How to care for your young child to develop them into respectable children and students	Tonia F. Bailey	tonibailey70@gmail.com	601.541.1974	Statewide	Yes	2
Technology for Early Learners: Giving guide to early learners to appropriate web sites for age appropriate learning and how long should early learning use technology through out the day	Tonia F. Bailey	tonibailey70@gmail.com	601.541.1974	Statewide	Yes	2
Remember Who You Are: Motivational Power Point Presentation for Early Childhood staff based on the book - "Winners Never Cheat" by Jon Huntsman.	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	2
Using the Finer Things in Life: Participants will be introduced to a "hands on" approach of teaching developmentally appropriate fine motor skill challenges to various ages of young children. Actual activities are presented during the training.	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	3
An Attitude of Gratitude: Power Point Presentation to help educators learn to introduce a feeling of gratitude with our young friends. Age appropriate activities to accompany this presentation will be introduced.	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	1
Learning Life with Three and Four Year Olds: This interactive workshop allows us an opportunity to review the various areas of development for 36 month - 60 month old children and how we can help them accomplish age appropriate activities in a small group setting. Make and Take activities will be introduced.	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	3

Language Development in Young Children: Power Point presentation based on the book "It Takes Two to Talk" and the research of the book "Meaningful Differences in the Everyday Experience of Young American Children" as well as documented child development checklists	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	3
Centers of Interest: Power Point Presentation depicting the development and design of intentional Learning Centers in a classroom of young children. Appropriate Learning Environments discussion will be included in this interactive workshop.	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	2
Let's Practice What We Preach: Power Point Presentation regarding the importance of supervising children AT ALL TIMES	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	2
Why Can't He Just Sit Still?: Power Point Presentation addressing the area of differential learning in young children and ways staff can accommodate their learning needs	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	2
The Art and Works of Eric Carle: This interactive workshop introduces participants to the art and an array of Children's Books written and or illustrated by Eric Carle. This is a "Make and Take" workshop.	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	3
It's A Two Way Street: This workshop includes a Power Point Presentation introducing a variety of ways to accomplish effective communication with the families of the children we teach	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	2
I Like to "Color": Directors and staff reflect on the importance of "Art for Children" and will be given an opportunity to express themselves with an added "Make and Take" session as well.	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	3
"After the Storm": Staff will be able to review their before and after the Pandemic challenges and address their needs to adjust their program for their early learners. Developmental milestones will be discussed. Optional "Make and Take" session available.	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	3
Here We Go Again!": Pre-service session to review the importance of early childhood professionals and the roles they will play in the coming year.	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	3
What a Character!: Power Point Presentation will help participants be reminded of the importance of families instilling a value system in young children. Defining components of childhood virtues will be discussed as an interactive portion of this participation	Terre B. Harris	terrebharris60@gmail.com	601.573.1572	Statewide	Yes	2
Preventing Misbehavior: Participants will learn how to prevent many problems before they happen. This training will help participants understand misbehavior and give concrete strategies as well.	Bridgette K Jackson	bjackson@wcoihs.com	662.822.4015 (W)	Central MS	Yes	1 hour
Classroom Set-Up and Materials: Participant will learn how to select materials that represent cultural, linguistic, age, gender and ability diversity. Arrange furniture and materials so children have opportunities to work together and link materials to curriculum and instruction.	Bridgette K Jackson	bjackson@wcoihs.com	662.822.4015 (W)	Central MS	Yes	1

Math All Around us in the Classroom: Participants will learn how to create an environment that supports early math learning and using language of math, or "math talk," making it concrete and visible for infants toddlers and Preschoolers.	Bridgette K Jackson	bjackson@wcoihs.com	662.822.4015 (W)	Central MS	Yes	1
Preparing for Early Literacy: Developmentally Appropriate Practices: Participants will learn how literacy skills emerge and how to promote them through play and developmentally appropriate activities.	Bridgette K Jackson	bjackson@wcoihs.com	662.822.4015 (W)	Central MS	Yes	1
Preparing Preschoolers for School Readiness: Participants will learn how to prepare Pre-Schoolers to be school ready by using the guides organized around three components of learning: KNOW: Teaching practices that are effective at supporting children's development in certain domains. SEE: Video clips of effective teaching practices in action. DO: Discuss tips to try in their classroom when working with children.	Bridgette K Jackson	bjackson@wcoihs.com	662.822.4015 (W)	Central MS	Yes	1
Make and Take for Preschoolers: Participants will learn the importance of charts, schedules and guides in a classroom and how they help with classroom management, behavior problems and smooth transition, as children learn, have fun and explore the classroom. They will also make at least one activity for use in their classroom.	Bridgette K Jackson	bjackson@wcoihs.com	662.822.4015 (W)	Central MS	Yes	1
Zero to Three: The Growing Brain-Everyday Play: To help early childhood professionals understand the stages and types of play that unfold in early childhood, the role of the brain in this process, and how to maximize children's learning through play.	Chriscella L. Clay	chriscella2@yahoo.com	N/A	Central MS	No	2 to 3
Zero to Three: The Growing Brain-Communication and Language Development: To help early childhood professionals understand how communication and language skills develop in the first 5 years, the brain role in the development of these skills, and how to support them.	Chriscella L. Clay	chriscella2@yahoo.com	N/A	Central MS	No	2 to 3
Worksheets in Action! To demonstrate age appropriate hands on activities to participants that can be implemented in everyday planned activities, daily guided play opportunities, and small/large group activities for promoting early learning, opposed to worksheets.	Chriscella L. Clay	chriscella2@yahoo.com	N/A	Central MS	No	2 to 3
Zero to Three: The Growing Brain-Cognition and Executive Function: To help early childhood professionals learn how cognitive development unfolds, learn ways to support cognitive development in young children, learn about executive functioning and its critical role in cognitive and overall development, and learn ways support the development of Executive Functions.	Chriscella L. Clay	chriscella2@yahoo.com	N/A	Central MS	No	2 to 3
An Initial Connection "Family Engagement": This course focuses on fostering family engagement in the child's educational experiences and developing partnerships with families.	Octavia Dixon	www.everlastingopportunities.com	1.770.347.3070	Statewide	Yes	2
A Mindful Approach To Behavioral Challenge: This course focuses on understand challenging behaviors, how to respond to children with challenging behaviors, and how to prevent it.	Octavia Dixon	www.everlastingopportunities.com	1.770.347.3070	Statewide	Yes	1
Observation and Assessment, In Young Children: This course focuses on sharing, reporting, and communicating assessment, observation, or developmental screening data while maintaining supportive and respectful family partnerships.	Octavia Dixon	www.everlastingopportunities.com	1.770.347.3070	Statewide	Yes	2

Child Growth & Development - Infancy to School Age: This course focuses on a framework for growth and development in young children ages infant to 60 months.	Octavia Dixon	www.everlastingopportunities.com	1.770.347.3070	Statewide	Yes	2
Autism Spectrum Disorder (ASD): This training covers how to create an inclusive environment for children with and without autism spectrum disorder.	Octavia Dixon	www.everlastingopportunities.com	1.770.347.3070	Statewide	Yes	1-Jan
ADHD "Help Every Child Shine: This course training identifies the signs and symptoms of children with ADHD and how to manage a child with ADHD in the classroom.	Octavia Dixon	www.everlastingopportunities.com	1.770.347.3070	Statewide	Yes	1
Read Across America: During this workshop the participants will be given tips and ideas on how to set the stage in their classroom and plan activities based on one or more of Dr. Seuss' books. The participants will also active view a short episode of PBS KIDS The Cat in the Hat Knows A Lot About That, engage in a read aloud, rhyming games, and hands-on activities that can be fun center activities for the students. Mississippi Public Broadcast	Shelia Brown Robinson Mississippi Public Broadcast	shelia.brown@mpbonline.org	601-432-6918	Statewide	No	3
Let's Get Ready to Read: Designed to support early literacy skills children need to become great readers. This workshop presents to preschool teachers a variety of tools and ideas to use to get children excited about reading. The presenter will read aloud favorite books, share ways to get children involved in the story while reading the book aloud, engaging in word play, writing, storytelling activities. There will also be hands-on group activities along with resource information to assist with creating a reading space inside the classroom. Mississippi Public Broadcast	Shelia Brown Robinson Mississippi Public Broadcast	shelia.brown@mpbonline.org	601-432-6918	Statewide	No	3
Best Teacher Ever: This workshop is based on the book titled The Best Teacher Ever by Mercer Mayer which is read aloud during this training. Activities include teachers make their own unique hats, small group presentations on a teacher's role and responsibilities, relationship building, and a fun presentation of customer service between teacher, parent, and child. Teachers also participate in read aloud techniques, how to plan age appropriate fun hands-on activities and how to work as a team to ensure all students have a great preschool experience within the childcare centers. Mississippi Public Broadcast	Shelia Brown Robinson Mississippi Public Broadcast	shelia.brown@mpbonline.org	601-432-6918	Statewide	No	3
Car Seat Safety (Dude Where's My Car Seat?): This presentation covers the basics for car seat protection, car seat installation in vehicles, ages and stages of car seat progression as the child grows, choosing a seat, common errors, and children (and other passengers) in trucks. It is suitable for both staff and parent training. Mississippi State Department of Health Community Health and Prevention Program	Caryn Womack	caryn.womack@msdh.ms.gov	662.226.3771 (NW) 662.841.9015 (NE) 662.241.7677 (EC) 662.981.2304 (WC) 601.482.3171 (EC)	Statewide	NO	1
Building Teacher-Child Relationships: The objective of this training is to help participants understand the importance of building positive teacher-child relationships.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
Providing Emotional Support: The objective of this training is to provide participants with hands-on, learning experiences that support children emotionally during instructional practices and experiences.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
Supporting Instruction: The objective of this training is to provide participants a detailed, hands on strategies that will help support children during instruction.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	3
Effective Classroom Management Strategies: The objective of this training is to provide participants with a better understanding of how to effectively manage their classrooms.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2

Effectively Organizing the Classroom: The objective of this training is to provide participants strategies that will aid in an organized learning environment that students can participate and interact freely	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	3
Lesson Plans and Activities: The objective of this training is to provide participants a detailed description of how to develop effective plans of instruction that include meaningful learning activities	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	3
Positive Teacher-Child Interactions: Caring & Teaching: The objective of this training is to help participants improve their interactions while caring for and teaching children in a positive manner.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
Active Supervision: The objective of this training is to provide participants strategies used in and out of the classroom to actively supervise children in their care.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	4
Managing Challenging Behaviors: The objective of this training is to provide participants more knowledge about managing challenging behaviors while continuing to provide classroom learning experiences.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
Developmentally Appropriate Practices: The objective of this training is to provide participants a better understanding of how to promote young children's learning and development according to best practices.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	3
Interacting Effectively Through Hard Times: The objective of this training is to help participants improve teacher-child interactions during the hard times.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
Helping Children Understand Routines and Classroom Schedules: The objective of this training is to help participants understand the importance of teaching children the activities in a schedule and all of the smaller steps needed to complete routines.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2.5
Appropriate and Effective Parent Communication: The objective of this training is to provide participants with a better understanding of how to appropriately and effectively communicate with parents to improve student learning.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3310	North and Central	Yes	2
Overview: The Early Learning Outcomes: The objective of this training is to provide participants a better understanding of the Early Learning Outcomes.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
The Benefits of Play in Early Childhood: The objective of this training is to help participants understand the importance of play and how play facilitates learning in early childhood development.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	3
Transitioning Between Activities: The objective of this training is to provide participants strategies for helping children transition between activities.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	3
Recipes for Readiness: The objective of this training is to provide participants examples of various activities that promote learning skills in early childhood classrooms.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
Helping Children Manage Their Own Behaviors: The objective of this training is to provide participants a better understanding of why children need to learn self management skills.	Jacquelyn Allen	jacquelynallen317@yahoo.com	(662) 719-3110	North and Central	Yes	2
Positive Discipline: This training is designed to help staff gain a deeper understanding of positive discipline in early childhood development- i.e. redirection, encouragement, self-redirection & developing problem solving skills.	Dorothy Lewis	hopecenter8186@bellsouth.net	601-441-8100	Statewide	No	2

Classroom Management: This training is designed to provide classroom teachers with age-appropriate strategies and techniques for managing their classroom, i.e. room arrangement, modeling, routines, etc.	Dorothy Lewis	hopecenter8186@bellsouth.net	601-441-8100	Statewide	No	2
Language Modeling: The session will provide caregivers and preschool teachers with strategies to model more complex language in the learning environment and tips to share with families.	Lena Hampton	lehampton4@gmail.com	6629312427	Central MS	Yes	2
Transition: This training is designed to help caregivers and preschool teachers understand the "big idea" of transition and how it effects the learning environment	Lena Hampton	lehampton4@gmail.com	6629312427	Central MS	Yes	2
Creative Art in Young Children: This session will provide caregivers and preschool teachers with an understanding on how children learn to express their imagination and explore ideas through arts and crafts.	Lena Hampton	lehampton4@gmail.com	6629312427	Central MS	Yes	2
Learning Center: The session will provide caregivers and preschool teachers basic information about how to maximize children's learning while in the learning centers. It will also include information about what goes where in each learning center.	Lena Hampton	lehampton4@gmail.com	6629312427	Central MS	Yes	2
Classroom Management: The session will provide caregivers and preschool teachers with strategies on how to keep children engaged and reduce misbehavior in the classroom.	Lena Hampton	lehampton4@gmail.com	6629312427	Central MS	Yes	2
Positive Interaction: Caregivers and educators will develop an understanding about the importance of positive interaction and how it effects the classroom environment.	Lena Hampton	lehampton4@gmail.com	6629312427	Central MS	Yes	2
Learn More About Play: Caregivers and educators will be able to understand the importance of helping children develop positive social skills through play and positive interactions.	Lena Hampton	lehampton4@gmail.com	6629312427	Central MS	Yes	2
Active Supervision: The objective of this training is to provide participants strategies used in and out of the classroom to actively supervise children in their care.	Lena Hampton	lehampton4@gmail.com	6629312427	Central MS	Yes	2
Intentional Practices: The objective of this training is to provide participants with hands on learning and teaching strategies that will improve instructions and engagement in the classroom.	Lena Hampton	lehampton4@gmail.com	6629312427	Central MS	Yes	2
Effective Classroom Organization: The objective of this training is to provide teachers and caregivers with hands-on and a PowerPoint presentation on how to arrange and organize an effective classroom.	Lena Hampton	lehampton4@gmail.com	6629312427	Central MS	Yes	2
Identifying Emotions: The objective of this training is to provide participants with hands learning to help teachers and caregivers identify and embrace children's emotional cues.	Lena Hampton	lehampton4@gmail.com	6629312427	Central MS	Yes	2
Ready, Set, Go! Preschool Planning for Meaningful and Safe Gross Motor Activities while on the Playground or Indoors: Overview of the importance of gross motor activities and ideas for movement indoors and outdoors. In addition, this training explores recent studies regarding nature-deficit disorders and provides participants the opportunity to discuss the importance of nature activities and learning in the outdoors.	Dr. Cynthia Booker	dr.cynthiabooker@gmail.com	501-743-5202	Statewide	Yes	3
Preventing Misbehavior: Participants will learn how to prevent many problems before they happen. This training will help participants understand misbehavior and give concrete strategies as well.	Bridgette Jackson	bjackson@wcoihs.com	662-822-4014	Statewide	Yes	2

Classroom Set-Up and Materials: Participants will learn how to select materials that represent cultural, linguistic, age, gender, and ability diversity. Arrange furniture and materials so children have opportunities to work together and link materials to curriculum and instruction.	Bridgette Jackson	bjackson@wcoihs.com	662-822-4014	Statewide	Yes	2
Preparing Preschool for School: Participants will learn how to prepare Infants to be school ready, by using the teaching practices that are effective at supporting children’s development.	Bridgette Jackson	bjackson@wcoihs.com	662-822-4014	Statewide	Yes	2
Preparing for Early Literacy: Developmentally Appropriate Practices: Participants will learn how literacy skills emerge and how to promote them through play and developmentally appropriate activities.	Bridgette Jackson	bjackson@wcoihs.com	662-822-4014	Statewide	Yes	2
Art for Fun: Participants will learn the focus of art for young children is learning, exploring and fun.	Bridgette Jackson	bjackson@wcoihs.com	662-822-4014	Statewide	Yes	2
Routines and Relationships: Participants will learn how responsive care giving forms the foundation of building relationships, and sets the stage for development and learning.	Bridgette Jackson	bjackson@wcoihs.com	662-822-4014	Statewide	Yes	3
Make and Take for Preschoolers: Participants will learn the importance of charts, schedule and guide in a classroom and how they help with classroom management, behavior problems and smooth transitions, as children learn, have fun and explore the classroom. They will also make a at least one of the following below to use in their classroom.	Bridgette Jackson	bjackson@wcoihs.com	662-822-4014	Statewide	Yes	2
Science Talk in the Preschool Classroom: WHAT IS “SCIENCE TALK?” In this 1-hour session learn how to lead student discussion that helps children deepen their science explorations by encouraging them to think through an idea, ask a new question, or try something new. Help your children use “science talk”, to develop understanding, share their ideas, build a rich vocabulary, and increase their listening and comprehension skills. (online or conference)	Donna Torres	dtorress@visitinfinity.com	228.533.9025 ext. 306	South MS	Yes	1
Preschool Science Intro to states of Matter: Learn simple techniques to teach your preschoolers the abstract PROPERTIES OF MATTER. This workshop will guide you through demonstrations and activities that will have your students exploring and observing how states of matter change. You will gain inexpensive ideas to use in the classroom to give students the beginning skills that can be built upon as they grow. They will be amazed by the activities that WOW them to discover solids, liquids and gasses. (1-hour online)	Donna Torres	dtorress@visitinfinity.com	228.533.9025 ext. 306	South MS	Yes	1
Exploring Colors with Preschoolers: This training includes multiple hands on science activities for educators to engage children and motivate them to experiment and investigate the world of COLOR. Attendees will have the opportunity to create activities that are classroom ready. This 3-hour class includes exploration, demonstration and a make and take session. (offered @ INFINITY contact dtorres@visitinfinity.com to book)	Donna Torres	dtorress@visitinfinity.com	228.533.9025 ext. 306	South MS	Yes	3.5

<p>Exploring Ramps with Preschoolers: Science is all about investigation and discovery; it's hands-on and requires that children learn through experimentation and trial-and-error. Learn techniques to engage your students in the exploration of RAMPS. Learn strategies to make sure some of your learning environments support open-ended exploration, so children can follow their own interests, explore further, and make new discoveries. Attendees will have the opportunity to create activities that are classroom ready. This 3-hour class includes exploration, demonstration and a make and take session. (offered @ INFINITY contact dtorres@visitinfinity.com to book)</p>	Donna Torres	dtorress@visitinfinity.com	228.533.9025 ext. 306	South MS	Yes	3.5
<p>Discovering the science of Shadows: The training includes multiple ways for educators to explore teaching strategies to engage their learners in the fun exploration of light and SHADOWS. It includes modeling the strategies , a variety of Share and Discuss exercises, hands-on science activities, and a learning activities. Attendees will have the opportunity to create activities that are classroom ready. This 3-hour class includes exploration, demonstration and a make and take session. (offered @ INFINITY contact dtorres@visitinfinity.com to book)</p>	Donna Torres	dtorress@visitinfinity.com	228.533.9025 ext. 306	South MS	Yes	3.5
<p>Teaching the Science of Sound: This training content includes four teaching strategies that are key to exploring science with young children: Learning Environments, Science Talk, Documentation and Reflection, and Individualized Instruction. The training includes multiple ways for educators to explore these teaching strategies to engage student to explore the SOUND around them. Attendees will have the opportunity to create activities that are classroom ready. This 3-hour class includes exploration, demonstration and a make and take session. (offered @ INFINITY contact dtorres@visitinfinity.com to book)</p>	Donna Torres	dtorress@visitinfinity.com	228.533.9025 ext. 306	South MS	Yes	3.5
<p>Setting up Color Exploration Centers in the PreK class: Learning centers allow children to look at, touch, and manipulate objects. In this training you will learn activities that will help you design and engaging center for the science exploration of COLOR. Plan intentional activities and classroom space that invites your learners to engage in their own exploration of how COLORS are a part of our world. You will gain several activities to set up a learning environment that support many different types of learning.</p>	Donna Torres	dtorress@visitinfinity.com	228.533.9025 ext. 306	South MS	Yes	
<p>Setting up shadow Play Centers in the PreK Class: Learning centers allow children to look at, touch, and manipulate objects. In this training you will learn activities that will help you design and engaging center for the science exploration of SHADOWS. Plan intentional activities and classroom space that invites your learners to engage in their own exploration of how COLORS are a part of our world. You will gain several activities to set up a learning environment that support many different types of learning. (1-hour online)</p>	Donna Torres	dtorress@visitinfinity.com	228.533.9025 ext. 306	South MS	Yes	1
<p>Setting up Sound Centers in the Pre-K Class: Learning centers allow children to look at, touch, and manipulate objects. In this training you will learn activities that will help you design and engaging center for the science exploration of SOUND. Plan intentional activities and classroom space that invites your learners to engage in their own exploration of how COLORS are a part of our world. You will gain several activities to set up a learning environment that support many different types of learning. (1-hour online)</p>	Donna Torres	dtorress@visitinfinity.com	228.533.9025 ext. 306	South MS	Yes	1

Teaching Scientific Process in PreK: Learn techniques to teach the scientific method for preschoolers by breaking it down into 6 parts. You can easily see how each of these parts can be incorporated into your next class science experiment. (1-hour online)	Donna Torres	dtorress@visitinfinity.com	228.533.9025 ext. 306	South MS	Yes	1
Stepping Into Reading: Train early childhood providers on how to promote early literacy skills in the classroom.	Shakira L. Cain	shakira_38@bellsouth.net	601-454-5376	Central MS	Yes	5
Developing Self Esteem in Early Childhood Development: Provide Information on Developing Children with a Strong Sense of Self Worth. This session helps with strategies of building strong self esteem by Fostering a Feeling of Belonging, Being a Role Model, Fostering a Can Do Attitude, Identifying Strengths and Encouraging Talents. Provide a verity of Self Esteem Activities.	Tasha Banks	baileytasha@hotmail.com	662-334-5541	Statewide	Yes	5
Developing Self Control in Early Childhood Development: Provide information on developing Children with a Strong Sense of Self Control to Success. This session provides tips for Teaching Self-Control. Instill the right mindset for tackling challenges and learning from failures. Help Children Develop their Attention and Working Memory Skills.	Tasha Banks	baileytasha@hotmail.com	662-334-5541	Statewide	Yes	5
Transforming Outdoor Environments, Transforming Behavior: We can see a connection on the relation between outdoor exploration, self expression and how that encourages positive behavior, especially in children 2-5 and beyond. We will discuss an article in detail and also discuss ways we can transform your outdoor spaces.	Rachell Vicknair	rachell@teacherswhoplay.com	504.909.9790	South MS	Yes	3
Skills Training for Children with Behavior Problems: Identify ways to work with children with behavior problems in the classroom.	Wilhelmenia Newson	ladyaka38614@yahoo.com	662-902-7673	North MS	Yes	2-3
Language Development For Infants & Toddlers: Language Development: Early language for the young mind. Adult-child interactions have a direct impact on social-emotional and language and Literacy development	Tamara Smith	Tls7296@hotmail.com	601.503.7867	Statewide	Yes	2
Practical Life Activities: Practical life activities that helps develops motor control, coordination, develops independence and life skills	Tamara Smith	Tls7296@hotmail.com	601.503.7867	Statewide	Yes	5
High-Quality learning Spaces and Teaching Strategies despite COVID-19: The physical space is deeply impactful. Providing social distance pod for children to foster connections with peers during Covid-19.	Tamara Smith	Tls7296@hotmail.com	601.503.7867	Statewide	Yes	2
Cavity Free Kids: Cavity Free Kids is a free train-the-trainer oral health curriculum that provides education about dental cavities and how they can be prevented. This curriculum was developed for child care directors and staff who work closely with parents and children. Those who participate will acquire knowledge, skills, and resources to educate families and children. Hands-on training includes exercises that are fun and easy for parents and children to understand.	Gennette Robinson, RDH Lenita Simpton, RDH Bassett, RDH Daniels, RDH	Carla Eugenia gennette.robinson@msdh.ms.gov lenita.simpson@msdh.ms.gov carla.bassett@msdh.ms.gov eugenia.daniels@msdh.ms.gov	601-206-1590	Statewide	No	2
Cavity Free in MS: Medical providers will receive training on how to perform an oral health evaluation, benefits and application of fluoride varnish and caregiver education on good oral hygiene practices. Medical providers will also receive training on billing/coding for services rendered and supplies and materials needed in order to screen and apply fluoride varnish.	Gennette Robinson, RDH Lenita Simpton, RDH Bassett, RDH Daniels, RDH	Carla Eugenia gennette.robinson@msdh.ms.gov lenita.simpson@msdh.ms.gov carla.bassett@msdh.ms.gov eugenia.daniels@msdh.ms.gov	601-206-1590	Statewide	No	2

Cultural Competency Care training: Cultural competence training gives participants the tools needed to help effectively interact with people of different cultures in a way that is respectful, responsible, and sensitive to their linguistic needs. The standards target health care professionals; however, they can easily be adapted to fit other service areas. Cultural competence training covers three key areas: attitudes, knowledge, and skills.	Gennette Robinson, RDH Lenita Simpson, RDH Bassett, RDH Daniels, RDH Carla Eugenia	gennette.robinson@msdh.ms.gov lenita.simpson@msdh.ms.gov carla.bassett@msdh.ms.gov eugenia.daniels@msdh.ms.gov	601-206-1590	Statewide	No	2
Worksheet Makeovers: Participants in this training will learn why worksheets are inappropriate in early childhood classrooms along with innovating ideas of ways to make worksheets work appropriately. Participants will engage in dialogue on how to teach without using paper-based task and gain ideas on how to implement instruction effectively.	Kanesha Bennett LaTasha Hadley Shanunta Durr Candra Morris	kb.lovinghahands@gmail.com lovinghands1908@gmial.com	769-300-1288 601-398-3603	Statewide	Yes	2
How to Promote Parent Engagement: This training will discuss what parent engagement is in early childhood. Participants will learn ways to promote parent engagement within the classroom while gaining knowledge of ways to support families within the classroom.	Kanesha Bennett LaTasha Hadley Shanunta Durr Candra Morris	kb.lovinghahands@gmail.com lovinghands1908@gmial.com	769-300-1288 601-398-3603	Statewide	Yes	3
Classroom Creations: Make and Take: This training will provide participants with an understanding on the importance of using visuals when providing instruction. Participants will learn refreshing and inventive ways to keep classrooms both inviting and engaging. Participants will create a visual to utilize within the classroom	Kanesha Bennett LaTasha Hadley Shanunta Durr Candra Morris	kb.lovinghahands@gmail.com lovinghands1908@gmial.com	769-300-1288 601-398-3603	Statewide	Yes	2.5
Teacher and Child Interaction: This training examines the types of teacher-child interactions that produce positive, sensitive, frequent and individualized teacher-child interaction.	LaTasha Hadley	kb.lovinghahands@gmail.com lovinghands1908@gmial.com	769-300-1288 601-398-3603	Statewide	Yes	3
Overview of Learning Styles: This training provides information about the different learning styles of children and teaching strategies and tools targeted for each learning strategies.	Kanesha Bennett LaTasha Hadley	kb.lovinghahands@gmail.com lovinghands1908@gmial.com	769-300-1288 601-398-3603	Statewide	Yes	3
Overview of Child Development and Early Learning Theories: This training provides general introduction to major theories of child development.	Kanesha Bennett LaTasha Hadley	kb.lovinghahands@gmail.com lovinghands1908@gmial.com	769-300-1288 601-398-3603	Statewide	Yes	3
Thematic Instructional Approach: This training provides information on thematic instruction and curriculum development that reflects an integrative approach to teaching and learning.	Kanesha Bennett LaTasha Hadley	kb.lovinghahands@gmail.com lovinghands1908@gmial.com	769-300-1288 601-398-3603	Statewide	Yes	3
Assessing School Readiness: This training explores the behavior of aggressive children and offer suggestions in working with these types of children.	Kanesha Bennett LaTasha Hadley	kb.lovinghahands@gmail.com lovinghands1908@gmial.com	769-300-1288 601-398-3603	Statewide	Yes	3
Early Brain Development: This training provides information about early brain development and how the brain works to promote learning.	Kanesha Bennett LaTasha Hadley	kb.lovinghahands@gmail.com lovinghands1908@gmial.com	769-300-1288 601-398-3603	Statewide	Yes	3
Classroom Arrangement: This training addresses how the physical arrangement of a classroom can optimize children's learning.	Kanesha Bennett LaTasha Hadley	kb.lovinghahands@gmail.com lovinghands1908@gmial.com	769-300-1288 601-398-3603	Statewide	Yes	3
Bulletin Boards: This course prepares teachers to design bulletin boards that are not only attractive but are effective teaching tools.	Kanesha Bennett LaTasha Hadley	kb.lovinghahands@gmail.com lovinghands1908@gmial.com	769-300-1288 601-398-3603	Statewide	Yes	3
Literacy Rich Environments for Young Children: This training expands participant's understanding of how to enhance literacy experiences in classroom environment to promote pre-literacy skills.	Kanesha Bennett LaTasha Hadley	kb.lovinghahands@gmail.com lovinghands1908@gmial.com	769-300-1288 601-398-3603	Statewide	Yes	3
Integrating Literacy Into Circle Time: This training provides childcare providers with ideas to expand circle time learning by integrating literacy rich activities.	Kanesha Bennett LaTasha Hadley	kb.lovinghahands@gmail.com lovinghands1908@gmial.com	769-300-1288 601-398-3603	Statewide	Yes	3
Effective Discipline Strategies For Use With Young Children: This training explores guidance strategies for promoting pro-social behaviors in young children with emphasis on positive guidance principles and techniques.	Kanesha Bennett LaTasha Hadley	kb.lovinghahands@gmail.com lovinghands1908@gmial.com	769-300-1288 601-398-3603	Statewide	Yes	3

Learning Centers: This training provides the basic information about the principles and practices of learning centers and includes information on developing appropriate learning activities within designated learning centers.	Kanesha Bennett LaTasha Hadley	kb.lovinghands@gmail.com lovinghands1908@gmail.com	769-300-1288 601-398-3603	Statewide	Yes	3
Learning Centers Instructional Approach: This training provides information on the organization, plans, and procedures in implementing early childhood learning centers.	Kanesha Bennett LaTasha Hadley	kb.lovinghands@gmail.com lovinghands1908@gmail.com	769-300-1288 601-398-3603	Statewide	Yes	3
Individualized Instruction: This training provides information on the individualized instruction and its effectiveness in addressing the special learning needs of all children in the classroom.	Kanesha Bennett LaTasha Hadley	kb.lovinghands@gmail.com lovinghands1908@gmail.com	769-300-1288 601-398-3603	Statewide	Yes	3
Expressing Creativity Through Music, Song, and Dance: This training introduces concepts of music, dance and song for use in childcare setting with young children.	Kanesha Bennett LaTasha Hadley	kb.lovinghands@gmail.com lovinghands1908@gmail.com	769-300-1288 601-398-3603	Statewide	Yes	3
Promoting Critical Thinking in Young Children: This training provides information on the process by which teachers support critical thinking among young children.	Kanesha Bennett LaTasha Hadley	kb.lovinghands@gmail.com lovinghands1908@gmail.com	769-300-1288 601-398-3603	Statewide	Yes	3
Preschool Transition to Public School: This training reviews the types of planning and programs that should be employed to influence successful public school transition and identifies the benefits and satisfaction all parties can receive from the process.	Kanesha Bennett LaTasha Hadley	kb.lovinghands@gmail.com lovinghands1908@gmail.com	769-300-1288 601-398-3603	Statewide	Yes	3
Teaching Math to Preschool Children: This training emphasizes active learning techniques to introduce beginning math concepts to preschool children.	Kanesha Bennett LaTasha Hadley	kb.lovinghands@gmail.com lovinghands1908@gmail.com	769-300-1288 601-398-3603	Statewide	Yes	3
Music and Preschool Children: This training provides information on how music can be used in the classroom and how to get children interested in music.	Kanesha Bennett LaTasha Hadley	kb.lovinghands@gmail.com lovinghands1908@gmail.com	769-300-1288 601-398-3603	Statewide	Yes	3
Science in the Preschool Classroom: This training is designed to provide information on science-rich classroom environments.	Kanesha Bennett LaTasha Hadley	kb.lovinghands@gmail.com lovinghands1908@gmail.com	769-300-1288 601-398-3603	Statewide	Yes	3
Preschool Fitness: This training provides fundamental information about preschool health and fitness and offers strategies for getting children physically fit.	Kanesha Bennett LaTasha Hadley	kb.lovinghands@gmail.com lovinghands1908@gmail.com	769-300-1288 601-398-3603	Statewide	Yes	3
Parent and Teacher Interaction: This training will provide participants with an understanding of techniques and strategies for establishing positive parent and teacher interaction.	Kanesha Bennett LaTasha Hadley	kb.lovinghands@gmail.com lovinghands1908@gmail.com	769-300-1288 601-398-3603	Statewide	Yes	3
Technology as an Instructional Strategy: This training discusses appropriate use of technology to promote learning in preschool classrooms.	Kanesha Bennett LaTasha Hadley	kb.lovinghands@gmail.com lovinghands1908@gmail.com	769-300-1288 601-398-3603	Statewide	Yes	3

Making Thinking Visible: This course provides knowledge of how teachers can convert their classroom thoughts into reality.	Lashaunda Davis	makingtheconnections5@gmail.com	601-624-4836	Statewide	Yes	4
Science Is A Math Bubble: This course provides hands on strategies for implementing science and math in a classroom with young children.	Lashaunda Davis	makingtheconnections5@gmail.com	601-624-4836	Statewide	Yes	4
Disciplinary Strategies: lecture and activities for modifying behavior	Dr. Doris Gary	doriscgary16@gmail.com	601-966-7731	Central MS	Yes	2
Literacy and Learning styles: lecture and role playing styles of learning	Dr. Doris Gary	doriscgary16@gmail.com	601-966-7731	Central MS	Yes	2
Teaching Math Concepts: lecture and making math activities	Dr. Doris Gary	doriscgary16@gmail.com	601-966-7731	Central MS	Yes	2
Language Development: lecture and small group activities that develop language usage of young children	Dr. Doris Gary	doriscgary16@gmail.com	601-966-7731	Central MS	Yes	2
Positive Discipline : This training is designed to help staff gain a deeper understanding of positive discipline in early childhood development- i.e. redirection, encouragement, self-redirection & developing problem solving skills.	Dorothy Lewis	hopecenter8186@bellsouth.net	601-441-8000	Statewide	NO	2
Classroom Management: This training is designed to provide classroom teachers with age-appropriate strategies and techniques for managing their classroom, i.e. room arrangement, modeling, routines, etc.	Dorothy Lewis	hopecenter8186@bellsouth.net	601-441-8000	Statewide	NO	2
Understanding Behavior: What is behavior? Behavior is anything measurable and observable that we do as a human organism. Understanding the "why" behind a child's behavior can lead to ways to decrease the "what" that's happening. Understanding behavior principles is critical in creating supportive and engaging environments. This training provides participants with information on behavior foundations: -ABC's; Schedule of Reinforcement; Functional Assessment & Data	Shannon Buford Allen D.	sbuford@msbehavioral.com	662-380-0618 662-655-1790	North MS	Yes	3
Healthy Social & Emotional Development: What do I look for? : Healthy social and emotional development is rooted in nurturing and responsive with family members and other caregivers, including those in early learning settings. This training assists educators in looking at ways to enhance social and emotional well-being in early learners in order to promote success in school.	Shannon Buford	sbuford@msbehavioral.com	662-380-0618 662-655-1790	North MS	Yes	2.5
ABC's of IEP's: Early Childhood Special Education (ECSE) services are provided for all young children with disabilities. Districts are required by law to provide free and appropriate special education and related services in the least restrictive environment for eligible students through an Individualized Education Program (IEP). But what does that really mean to you as an early childhood educator? This training will explore the elements of an IEP and discuss key considerations for ECE staff during the IEP process for preschool children.	Shannon Buford	sbuford@msbehavioral.com	662-380-0618 662-655-1790	North MS	Yes	2.5
Supporting Diverse Learners: Nowhere is the challenge for fulfilling the promise of academic achievement greater than in our work with diverse learners. All students deserve an education that prepares them for postsecondary success and a lifetime of unlimited opportunities. This training will asset participants in recognizing the importance of each child's unique strengths and support the full inclusion of all children—given differences in culture, family structure, language, racial identity, gender, abilities and disabilities, religious beliefs, or economic class.	Shannon Buford	sbuford@msbehavioral.com	662-380-0618 662-655-1790	North MS	Yes	2.5
Classroom Management: 1. We will discuss different techniques for classrooms. 2. Participants will learn how to compare styles with traditional styles of managing.3. participants will learn how to plan with children to organize.	Angeleque Agnew-Beene	abeene03@hotmail.com	662.871.8745	Statewide	Yes	3

Lesson Plans: 1.I will demonstrate the importance of using lesson plans in a classroom. 2. We will discuss the different sections of lesson planning. 3. We will discuss how effected lesson plans can be.	Angeleque Agnew-Beene	abeene03@hotmail.com	662.871.8745	Statewide	Yes	3
Playground Time: 1. Using effected practices during outdoor time. 2. Interaction between student and teachers. 3. Using outdoor activates as teaching strategies.	Angeleque Agnew-Beene	abeene03@hotmail.com	662.871.8745	Statewide	Yes	3
Classroom Daily Schedules: 1. Using appropriate time for each activity. 2. keeping children on a time schedules. 3. Giving children and staff use of quality time in classrooms	Angeleque Agnew-Beene	abeene03@hotmail.com	662.871.8745	Statewide	Yes	3
Classroom Set Up: 1. we will discuss different ways to set up the classroom. 2. Effective ways to use your classroom furniture.	Angeleque Agnew-Beene	abeene03@hotmail.com	662.871.8745	Statewide	Yes	3
Large Group Time: 1. Using effected practices in large group. 2. we will discuss activities that we can do in large group. 3. We will discuss ways to make large group fun for children.	Angeleque Agnew-Beene	abeene03@hotmail.com	662.871.8745	Statewide	Yes	3
Learning Centers: 1. Discuss ways of using learning centers. 2. Learning centers groups. 3. Activities for learning centers.	Angeleque Agnew-Beene	abeene03@hotmail.com	662.871.8745	Statewide	Yes	3
Interaction with children and Staff: 1. we will discuss effected ways for adult/child interaction. 2. Note taking in the classroom. 3. Keeping up with observations.	Angeleque Agnew-Beene	abeene03@hotmail.com	662.871.8745	Statewide	Yes	3
Healthy Snacks: 1. Using nutrition in the classroom. 2. Examples of healthy snacks. 3. Using food charts for healthy snacks.	Angeleque Agnew-Beene	abeene03@hotmail.com	662.871.8745	Statewide	Yes	3
Water play in the Classroom: 1. Sand and Water table been used in the classroom. 2. Activities for children 3. Age limited in this area.	Angeleque Agnew-Beene	abeene03@hotmail.com	662.871.8745	Statewide	Yes	3
Small Groups in the Classrooms: 1. Grouping children for teaching in small groups. 2. activities for small groups. 3. hands on activities for classroom small group and large groups.	Angeleque Agnew-Beene	abeene03@hotmail.com	662.871.8745	Statewide	Yes	3
Mental Health in the Classroom: 1. Using mental health activities in the classrooms. 2. Mental health activities. 3. incorporated techniques in lesson plans	Angeleque Agnew-Beene	abeene03@hotmail.com	662.871.8745	Statewide	Yes	3
Discipline in Classrooms: 1. Rules to be followed in classroom. 2. Incorporating children rules into lessons 3. Charts with classroom rules.	Angeleque Agnew-Beene	abeene03@hotmail.com	662.871.8745	Statewide	Yes	3
Teaching ABC's and 123's: 1. Incorporating numbers and letters into lessons. 2. Charts available in classrooms for children.3. Discussing different examples of ways to incorporate into daily routines.	Angeleque Agnew-Beene	abeene03@hotmail.com	662.871.8745	Statewide	Yes	3
Pre-Writing Skills: 1. using pre-writing skills in classroom. 2. Using effected ways of holding pencils. What does children need to know about using pencils.	Angeleque Agnew-Beene	abeene03@hotmail.com	662.871.8745	Statewide	Yes	3
Classroom Management : Train teacher's on how to influence student's behavior to create an environment conducive to learning. The primary goal is to maximize appropriate conduct and minimize student's misbehavior.	Dr. Deborah K. Minor	dkminor2022	662-417-1487	Statewide	Yes	3
My Time In The Learning Center: Center times allows children to grow in their social and language skills. Students navigate interactions with their peers and teachers during this time.	Dr. Deborah K. Minor	dkminor2022	662-417-1487	Statewide	Yes	3
Early Childhood Teachers Professional Ethics: Train participants on how to respect parents and colleagues in Early Childhood centers and support them in maintaining the NAEYC Code of Ethics Conduct.	Dr. Deborah K. Minor	dkminor2022	662-417-1487	Statewide	Yes	3
Preschool Teacher and Staff Relationship: Establishing healthy parent-teacher relationship for early learning success for young students.	Dr. Deborah K. Minor	dkminor2022	662-417-1487	Statewide	Yes	3
Building Self-Esteem in Children: The ability to have a positive view of oneself base on how children are treated in their environment.	Dr. Deborah K. Minor	dkminor2022	662-417-1487	Statewide	Yes	3

Information concerning the Care and Development of Preschoolers (Age three to entry into School): Early childhood and development milestones are to be celebrated at every stage. This training sessions spotlights such milestones with a wealth of information and suggestions to assist the entire learning community with age-appropriate strategies that can be used at all times.	Dr. Mavis Dawson	thedawsongroup8@gmail.com	601-882-6430	Central MS	Yes	2
Positive Behavior Guidance: This session is for early childhood educators working with preschool aged children in group settings. Participants will discuss reasons for behavioral challenges in young children and describe positive discipline techniques to support children's challenging behaviors.	Eboni N. Walker	eboni@learningmattersconsulting.com	504-512-6252	Statewide	Yes	1
Guided Play and Creative Expression: This session is for early childhood educators working with preschool aged children in group settings. Participants will describe methods of guided play that benefit children's learning and evaluate materials and activities that promote creative expression.	Eboni N. Walker	eboni@learningmattersconsulting.com	504-512-6252	Statewide	Yes	1
Caught In the Love: In the Best Interest of Children: Research describes young children's needs; including trust, sincere relationships, and responsive care. Includes strategies that encourage and support infants and toddlers	Linda Glaze	lglaze@gmail.com	662-255-5795	North MS	Yes	2
Guiding them Through the Storms: Comparing teacher expectations with typical developmental expectations and early childhood research to develop appropriate strategies for tantrums and conflicts.	Linda Glaze	lglaze@gmail.com	662-255-5795	North MS	Yes	2
Pretend Play: Creating Stories: How pretending supports social, language and literacy skills; and how to support and encourage more of it.	Linda Glaze	lglaze@gmail.com	662-255-5795	North MS	Yes	1.5
Communication and Early Literacy: Supporting Language and Literacy Skills: Using language and becoming a "play partner" with young children. Discussion of research and the impact of communication to later school success.	Linda Glaze	lglaze@gmail.com	662-255-5795	North MS	Yes	2
Supporting Children in Learning Centers: Discovering the skills most influenced through play in each of 5 learning centers. How materials both bought and found enrich play.	Linda Glaze	lglaze@gmail.com	662-255-5795	North MS	Yes	2
My Preschool: We will discuss information concerning the care and development of preschoolers ages 3 and 4. Language development (sub-topic). We will discuss what language development is, tips to apply in the classroom to enhance language development and linkage with community services when language development is not developing according to MS First Step Program. We will discuss Physical and social & emotional.	Clorice Wilson	cclorice25@gmail.com	601.622.4111	Statewide	Yes	4
Preschool Fitness: Why It's More Important Now Than Ever: Learn about the serious diseases of lifestyle and how they have their basis in early childhood. Find out how unhealthy diets and inactivity are built into society and how to counteract those systems. Design your own fitness program using a database of activities designed for preschool children	Michele Silence	michele@kid-fit.com	626.848.2950	Statewide	Yes	3
Warm Up Activities For Preschoolers: Training details why a proper age appropriate warm up is needed before doing physical fitness activities with preschoolers. Participants will learn what is safe and not safe for this age group and how to create their own warm up activities	Michele Silence	michele@kid-fit.com	626.848.2950	Statewide	Yes	3
Balance Activities For Preschoolers: Learn why balance in an integral part of fitness. Find out how to challenge children while balancing on different body points and in different planes. Learners will be able to create appropriate balance activities for their classrooms.	Michele Silence	michele@kid-fit.com	626.848.2950	Statewide	Yes	3

Sports Skills For Preschoolers: Training will detail the different sports skills young children should practice for proper physical skill development. Participants will learn which skills can be taught to this age group and how to create their own sports skill activities for their classrooms. Children who learn these skills are more likely to want to do them as they get older.	Michele Silence	michele@kid-fit.com	626.848.2950	Statewide	Yes	3
Aerobic Activities For Preschoolers: To explain what aerobic exercise is, why it's important to health and show how to include it in the school day. Daily aerobic exercise is lacking but easy to include plus there are other benefits such as enhanced academic performance, stress relief, improved immune function and increased creativity.	Michele Silence	michele@kid-fit.com	626.848.2950	Statewide	Yes	3
Strengthening For Preschoolers: Strengthening exercise is needed for children to prevent obesity, diabetes and develop a strong body. Being strong allows children to have the power and endurance to do the activities they want to do and develop a positive association with exercise in general.	Michele Silence	michele@kid-fit.com	626.848.2950	Statewide	Yes	3
Safe Stretching For Preschoolers: The workshop will explain what stretching exercise is, why it's important to overall health and show how to include it in the school day. Stretching is a major component of fitness whether used for relaxation or for flexibility to improve future athletic performance	Michele Silence	michele@kid-fit.com	626.848.2950	Statewide	Yes	3
Mindfulness Practice For Preschoolers : Instructors who incorporate mindfulness practice into the curriculum will be helping children to reduce stress and learn to focus inward to identify feelings. To cope with today's stressors, it should be included in daily physical activity.	Michele Silence	michele@kid-fit.com	626.848.2950	Statewide	Yes	3
Back to School: Preparing for Success: his workshop incorporates suggestions, ideas, and tips on reading to and with preschoolers, introducing letters, numbers, shapes, colors, etc. in a fun and creative way during the school year. This workshop also includes group activities and discussions on classroom management, redirecting activities and building positive communication with parents. During the workshop, preschool teachers are encouraged to plan ahead for fun and engaging activities with students as well as incorporate PBS KIDS programming into weekly lesson plans.	Keidra Hooks	keidra.hooks@mpbonline.org	601.432.6361	Statewide	No	2
Best Teacher Ever: This workshop utilizes the book titled The Best Teacher Ever by Mercer Mayer as a tool to discuss Teacher relationships with students, parents, and other teachers. Participants engage in hands-in activities and small group presentations. Topics such as teacher responsibilities, relationship building, and customer service between teacher, parent, and child are discussed. Teachers also participate in read aloud techniques, how to plan age-appropriate fun and how to work as a team to ensure all students have a great preschool experience.	Keidra Hooks	keidra.hooks@mpbonline.org	601.432.6361	Statewide	No	2
Hungry for a Good Book: Join us as we introduce you to MPB's very own edutainment character, Ed Said. He helps children learn about all-things healthy through his raps and rhymes. Ed Said is a great, engaging way to introduce students to healthy foods, recipes, and activities. Come learn how you can incorporate fun, healthy, literary choices for our young scholars into your daily classroom plan.	Keidra Hooks	keidra.hooks@mpbonline.org	601.432.6361	Statewide	No	2
The Way I Feel: This workshop's goal is to assist teachers in developing lessons to address emotional and behavioral self-regulation. It provides strategies and activities that allow students to express their emotions safely and appropriately.	Keidra Hooks	keidra.hooks@mpbonline.org	601.432.6361	Statewide	No	2

PBS Programs - Watch & Learn : This workshop introduces participants to PBS programs, resources, and activities. It shares fun ways to engage young readers and provides strategies and materials for teachers and parents to enrich the learning process.	Keidra Hooks	keidra.hooks@mpbonline.org	601.432.6361	Statewide	No	2
Teacher-Child Interaction: Communication Works : This session give teachers/caregiver's a variety of strategies to build positive relationships with the children they care for daily and become knowledgeable in playing a significant role in flueneceing young children's social and emotional development.	Stacye Wells	swlovers02@yahoo.com	662.931.3126	Statewide	Yes	2
Circle Time: The Most Important Time of the Day : This session teaches them simple strategies to having a successful circle time when dealing with young childre	Stacye Wells	swlovers02@yahoo.com	662.931.3126	Statewide	Yes	2
Out of the Box with Science : This session teaches Caregivers/Teachers different ways to implement unique activities and experiments for science.	Stacye Wells	swlovers02@yahoo.com	662.931.3126	Statewide	Yes	2
Transitioning In A Preschool Classroom : This session teaches Caregivers/Teachers different ways to promote and implement transition into the everyday lives of young children.	Stacye Wells	swlovers02@yahoo.com	662.931.3126	Statewide	Yes	2
Building Literacy Through Nursery Rhymes and Children Poetry : This sessions teaches caregivers ways to implement Literacy in their classroom through nursery rhymes and children poetry.	Stacye Wells	swlovers02@yahoo.com	662.931.3126	Statewide	Yes	2
Make and Take: Language and Literacy : Caregivers/Teachers will learn ways to make fun hand-made folder games for preschoolers to promote language and literacy.	Stacye Wells	swlovers02@yahoo.com	662.931.3126	Statewide	Yes	2
Thematic Units for Preschool Children : This session give caregivers ideas, suggestions, and strategies to planning an effective lesson plans using age- appropriate themati units for Preschool Children.	Stacye Wells	swlovers02@yahoo.com	662.931.3126	Statewide	Yes	2
Moving and Grooving to the Sound of Music : This session give caregivers ways to implement Music in their everyday routine.	Stacye Wells	swlovers02@yahoo.com	662.931.3126	Statewide	Yes	2
Let's Read: Books and More Books : This sessions teaches caregivers ways to implement Literacy in their classroom through books.	Stacye Wells	swlovers02@yahoo.com	662.931.3126	Statewide	Yes	2
Social and Emotional Competence of Children : In this training participants will Recognize what social and emotional comptence of children looks like and explore strategies they can use to help build social and emotional skills with children in the early childhood education learning environment. Octavia Dixon	www.everlastingopportunities.com	1.770.347.3070	Statewide	Yes	2
Child Growth & Development - Infancy to School Age: This course focuses on a framework for growth and development in young children ages infant to 60 months.	Octavia Dixon	www.everlastingopportunities.com	1.770.347.3070	Statewide	Yes	2
ADHD "Help Every Child Shine: This course training identifies the signs and symptoms of children with ADHD and how to manage a child with ADHD in the classroom.	Octavia Dixon	www.everlastingopportunities.com	1.770.347.3070	Statewide	Yes	1
Ready, Set, Go! School-Age Planning for Meaningful and Safe Gross Motor Activities while on the Playground or Indoors: Overview of the importance of gross motor activities and ideas for movement indoors and outdoors. In addition, this training explores recent studies regarding nature-deficit disorders and provides participants the opportunity to discuss the importance of nature activities and learning in the outdoors.	Dr. Cynthia Booker	dr.cynthiabooker@gmail.com	501-743-5202	Statewide	Yes	3

School-Age Finders Keepers: N.E.A.T., Creative, Materials for the Classroom to Promote SEL, STEAM & Literacy Skills: An exploration of re-purposed / recycled items to use safely in early childhood environments to promote age appropriate social emotional learning and science, technology, engineering, arts, math and literacy skills.	Dr. Cynthia Booker	dr.cynthiabooker@gmail.com	501-743-5202	Statewide	Yes	3
School-Age Environments that Teach: SEL, STEAM & Literacy Provocations in the Early Learning Environment: An in-depth review of "Provocations" and "Invitations to Learn." Definition of what these are and how to set them up in a classroom to promote wonder & curiosity to promote children's exploration, discovery and learning of age-appropriate science, technology, engineering, arts, math and literacy concepts. This training also discusses Social Emotional Learning and how provocations and invitations to learn promote and strengthen SEL within the classroom.	Dr. Cynthia Booker	dr.cynthiabooker@gmail.com	501-743-5202	Statewide	Yes	3
Designing the School-Age Classroom Environment with a Reggio-Inspired Approach: A review of the Reggio Approach and examples of Reggio-Inspired environments . Participants will review a crosswalk showing how Reggio-Inspired Environments compliment Mississippi minimum licensing requirements, environmental rating scales and NAEYC Standards.	Dr. Cynthia Booker	dr.cynthiabooker@gmail.com	501-743-5202	Statewide	Yes	3
Participants will understand the concepts and instructional approaches for reading to learn: Reading To Learn Aftermath: Participants will understand the concepts and instructional approaches for reading to learn.	Dr. Kaysie Burton	kaysieburton@gmail.com	662.379.6456	Statewide	Yes	Various
Curriculum Created For Afterschool Excellence: Participants will explore various curriculum options to help implement a successful learning experience for toddlers, preschoolers, and afterschool students.	Dr. Kaysie Burton	kaysieburton@gmail.com	662.379.6456	Statewide	Yes	Various
The Behavior of children and youth: This training will provide caregivers with the knowledge and skills necessary to prevent unwanted behavior by meeting the physical and social emotional needs of children and youth before they act out.	Donese Logan	youthcaresms@gmail.com	601-597-1795 or 601-336-2344	Statewide	Yes	2
How to manage Your Classroom 101: Caregivers will learn creative approaches to classroom management from the most basic strategies of communication to effective boundary setting. Caregivers will also reflect on more creative and personal approaches to classroom management in an effort to build confidence and ownership.	Donese Logan	youthcaresms@gmail.com	601-597-1795 or 601-336-2344	Statewide	Yes	2
Build Relationships with Families : In this training caregivers will explore what it means to build authentic relationships with families, practice the foundational skills needed to do this and explore biases that might prohibit them from developing authentic relationships with families.	Donese Logan	youthcaresms@gmail.com	601-597-1795 or 601-336-2344	Statewide	Yes	2
Trends in Children's Development: Learn about the physical, cognitive and social – emotional developmental trends that are associated with different age groups and how these trends relate today to day programming.	Donese Logan	youthcaresms@gmail.com	601-597-1795 or 601-336-2344	Statewide	Yes	2

Creating / Evaluating Daily Schedules: Caregivers will look at schedules to determine if they are providing both sufficient structure and flexibility to accommodate a wide range of activities and address the social – emotional, physical and skill building needs of children and youth.	Donese Logan	youthcaresms@gmail.com	601-597-1795 or 601-336-2344	Statewide	Yes	2
Initiating an Inclusive Program: Caregivers will look at schedules to determine if they are providing both sufficient structure and flexibility to accommodate a wide range of activities and address the social – emotional, physical and skill building needs of children and youth.	Donese Logan	youthcaresms@gmail.com	601-597-1795 or 601-336-2344	Statewide	Yes	2
Creating Service Learning Projects for Youth: Caregivers will identify potential service learning projects with safety considerations and create an action plan for a service learning project they can implement at their site.	Donese Logan	youthcaresms@gmail.com	601-597-1795 or 601-336-2344	Statewide	Yes	2
Helping with Homework: Caregivers will examine the importance of homework assistance in out of school programs. Caregivers will learn strategies and skills to provide effective homework assistance.	Donese Logan	youthcaresms@gmail.com	601-597-1795 or 601-336-2344	Statewide	Yes	2
The Importance of Debriefing with Kids: Caregivers will understand the importance of the delivery and debriefing of an activity to help make meaning.	Donese Logan	youthcaresms@gmail.com	601-597-1795 or 601-336-2344	Statewide	Yes	2
Skills Training for Children with Behavior Problems: Identify ways to work with children with behavior problems in the classroom.	Wilhelmenia Newson	ladyaka38614@yahoo.com	662-902-7673	North MS	Yes	2-3
Developing an Afterschool Program: This training provides opportunity for participants to learn how to design and create successful afterschool programs.	Kanesha Bennett LaTasha Hadley	kb.lovinghands@gmail.com lovinghands1908@gmail.com	769-300-1288 601-398-3603	Statewide	Yes	3
Afterschool Best Practices Guidelines: This training provides information on afterschool best practices and how to conduct a self-assessment.	Kanesha Bennett LaTasha Hadley	kb.lovinghands@gmail.com lovinghands1908@gmail.com	769-300-1288 601-398-3603	Statewide	Yes	3
"Oh the Places You'll Go": Literacy Across the Curriculum: Participants will learn to incorporate literacy across the curriculum using various methods and activities.	Tiffany Fisher	tiffany.fisher714@gmail.com	601-323-4776	Statewide	Yes	4
Information concerning the Care and Development of School Age Children from Kindergarten to Age Twelve : Early childhood and development milestones are to be celebrated at every stage. This training sessions spotlights such milestones with a wealth of information and suggestions to assist the entire learning community with age-appropriate strategies that can be used at all times.	Dr. Mavis Dawson	thedawsongroup8@gmail.com	601-882-6430	Central MS	Yes	2
Marching to the Beat of a Different Drum: The objective of this training offers participants a clear understanding of the underlying and overt characteristics of ADD and ADHD. Interventions presented to be utilized in the home and school- encourage positive social, emotional and academic outcomes.	Wanda Nelms	edu@nelmsconsulting.com	601.202.8582	Statewide	Yes	2

MSDH Approved Trainers Health, Safety and Nutrition

Health and Safety	Website: www.healthyms.com					
Course Name and Description	Contact Information			Training Area	\$	# hrs
<p>Playground Safety: Instruction for child care providers regarding hazards covered in Appendix D of the Child Care Regulations, on licensed child care facility playgrounds. <p>Data Driven Decision Making: How to Effectively Use Data to Make Informed Efficient Decisions. This Session informs the participants that Data driven decision making is a process for using assessment results to improve teaching and learning. This workshop on data driven decision making – Helping Teachers Use Assessment Data Services and Using Assessment to Inform Curriculum – provide teachers and education leaders with intensive learning opportunities and necessary tools for systematically collecting, organizing and analyzing multiple data sources to improve student performance. It provides strategies for linking assessment to instruction and for using assessment to improve student outcomes. Integrated into our work are the four essential elements of data driven instruction: multi-tiered model of service delivery; use of scientifically based materials and practices, integrated data collection and assessment systems, and a problem solving protocol.</p>	Tasha Bailey-Banks	baileytasha40@hotmail.com	662-334-5541	Statewide	Yes	5
